## MEETING MINUTES

Minutes from the meeting were accepted as printed in the newsletter.

**Treasurer's Report** – Starting balance \$335.68

Member dues - \$140.00

Ending balance 11/30/25 \$475.88

**Safety report** –None this month.

**Web report** – The new website is still under construction

**Board report** – Board meeting was held on 12/8/25 started at 6:03pm.

The main topic of discussion was the fly in event at James Clements airport.

AMA RC day is August 8th.

Patrick had checked on the price of a roll away sign for the event at a cost of \$85.00 for 30 days but that would depend on approval from the airport to have the sign by the road.

Visit us on the internet at <http://flyingeaglesinc.squarespace.com>

We would need to discuss any further advertising resources (signage, cardstock etc). Mike M had said something about putting the event in the AMA magazine.

The club hasn't had a build day in a long time and Gary had said that he could host it if we had enough people interested, we would discuss it further at the next meeting.

The night flying that a few members did over the summer was popular, we will plan more next year but would have to notify the airport.

Safety issues were discussed and thought it would be a good idea to bring the sandbox out to the berm for ease of use if needed.

**Old Business:** Nominations for 2026 were made and will be the same as 2025.

A new battery will need to be purchased in the spring for the mower.

Christmas dinner is planned for 12/13/26 at Grandpa Tony's at 12 pm.

**New Business:**

Mike M discussed our rc flying event with the Valley aero club , both him and John p will be in further discussion.

Official elections for next year's officers were completed, with a unanimous ballot to keep the same officers for next year.

Board meeting was set for 12/8/25 6pm at Burger King on Saginaw rd.

**The airplane contest was won by Karl, it was a Kyosho phantom.**

Motion to adjourn was made at 6:44 pm
