**Treasurer's Report** – The treasurer's report shows a balance of \$1912.53 in the checking account.

**Safety report** – Wayne discussed the high current arming system for electric aircraft from [www.sharprc.com](http://www.sharprc.com).

**Web report** – None.

**Board report** – The report was given by Peter which covered:

- Wayne has come up with an idea to promote the club at the various events using postcard sized flyers. The cost was quite reasonable and the quality excellent. A motion was made & passed to create a layout and order an initial quantity of 250 cards.
- The board is working on the future of the club web site. A web designer is being considered as an alternative to the way it's being done currently.
- Richard Banaszak has donated a riding mower for next season.
- Fixed costs for the coming season were presented.
- Remember that all club officers must have their dues & AMA paid.
