**Old Business:** Fria has been approved for our field for 700ft, we will need to keep it below 400ft when we see a fullscale airplane.

The Dawn patrol went well, the breakfast and plane rides were down from last year. Our club received a certificate of appreciation from the Valley Aero club.

**New Business:**

Pat wanted to discuss the possibility of repairing the trim around the door frame. A motion was made and approved. John P will price out the cost of the materials.

John P and I went to Flite Fest last month and it seemed a little smaller and had less vendors this year. They had a bad storm that destroyed some of the build tents which delayed the official opening of the event.

Gladwin Rc club is having their Jet show from July 25th-27th 9am-5pm.

The Labor day picnic will be discussed at the next ,meeting.
