Old Business: March 5th build went well at Eric's house, we had 8 members show up. Andy even showed up with his fancy supercharged car. It was a great turnout.
Mike M. mentioned getting with his friend about the kids group coming out to the field for a demonstration.

New Business:

The club charter was paid last month.

The moving of the safety barrier was discussed. We will move it back approx.10-15 feet.

Mike M. brought up the idea of participating in the River Of Time event this year. He will check into it.

Pat asked about the condition of our club mower, and Eric said that he would take care of the required maintenance. We also discussed the condition of the picnic table and will make additional repairs if needed.

The idea of refreshing the club's Facebook page was discussed by adding more content (new pics, videos etc).

Eric brought up the idea of possibly having our field rolled with a commercial roller, we will look into it. Karl stated he would make his roller available for us to use if needed.

Dennis asked if anyone would be interested or knew anything about an ultralight airplane motor that he had gotten from a friend.

•

** Notes from the editor: Please submit any content you may have for the newsletter. Do you have a spring project in your workshop? Take a couple pictures and email them to me. I would love to beef up the newsletter and make it a much more interesting read!

AIRPLANE

CONTEST:

Airplane Contest Rules:

Only paid members of the Flying Eagles Inc. Radio Control Club are eligible to win. All entries must be emailed to kwww68@charter.net the day before the meeting (Sunday or earlier please). The winner will be drawn from all correct entries that have been received by that date and presented during the regular meeting (need not be present to win, even if you have won previously, you are still eligible to enter every month).
