**Board report** – No board report.

Visit us on the internet at <http://flyingeaglesinc.squarespace.com>

**Old Business:**

1. Charter renewal has been sent to the AMA.
2. The Zelle payment system has been set up as an option to pay dues.
3. There are several swap meets that are coming up soon.

**New Business:**

1. Karl provided info from the AMA to apply for a temp FRIA if our club has an event at another location.
2. John P. has looked into our club's tax status and we are not a 501C3. John will discuss this with a tax professional.
3. With the upcoming flying season, the shed will need some maintenance. Weeds will need to be trimmed and the door is catching on the ramp.

Motion to adjourn was made at 6:55 pm

Airplane Contest for Feb was a PHIL Kraft Kwik Fli 2

We had two entries however ,both were incorrect.

**Show and Tell:**

John P. brought in a 3D printed fuselage of an OV-10 Bronco. It will be powered by two 4532 sized brushless motors and will also feature 3D printed landing gear.

\*\* Notes from the editor: Please submit any content you may have for the newsletter. Do you have a spring project in your workshop? Take a couple pictures and email them to me. I would love to beef up the newsletter and make it a much more interesting read!

**Airplane Contest Rules:**

Only paid members of the Flying Eagles Inc. Radio Control Club are eligible to win. All entries must be emailed to [kwww68@charter.net](mailto:kwww68@charter.net) the day before the meeting (Sunday or earlier please). The winner will be drawn from all correct entries that have been received by that date and presented during the regular meeting (need not be present to win, even if you have won previously, you are still eligible to enter every month).
