### **Board report:**

- The indoor fun fly was discussed, we are flying this year without a contract with the sports complex.
- Board recommends not obtaining a temporary liquor license as fund raiser at the sports complex during upcoming concert due to liability concerns.
- Wayne has tickets for upcoming concerts we can sell and 20% of the proceeds will go toward credit to keeping our indoor fun fly going.

### **Old Business:**

- Indoor fun fly this year is like it was our first year with the sports complex collecting admission at the door.
- The river of time display was a great success and we will be doing it again next year.

### **New Business:**

- Mike Massey suggested we make a generic flyer about our club with correct training nights and meeting times.
- Our visitor met us at the river of time and had a few questions about getting started with RC flying.
- The December 4<sup>th</sup> meeting will be in the board room.

### **Airplane Contest:**

Airplane contest: John Potts won, it was a Beachcraft Starship

Meeting adjourned at 6:53pm.

Thank you to everyone who came out to help at the concert at the sports complex last Saturday. We had six club members and one from another club. We were over-staffed for the turnout, but we were there and accomplished what we needed to do. I expect we have built up a significant deposit of goodwill toward keeping our indoor season going and we also found out that our turnout is not all that bad in the grand scheme of things. Thanks again for all those who gave their time, effort and assets.

\*\* Notes from the editor: Please submit any content you may have for the newsletter. Do you have a spring project in your workshop? Take a couple pictures and email them to me. I would love to beef up the newsletter and make it a much more interesting read!

## **AIRPLANE CONTEST**

\*\* Sorry \*\* No airplane contest this month due to getting the notes late and the newsletter out even later. We will make up for it with a good one next month.
