- Discussed the possibility of having to raise dues if membership doesn't increase.
- Also discussed having a silent auction of several airframes at the indoor events.

Old Business:

- Mike Y and Mike M spoke to Stan about the indoor events. Planning on November 2018- march 2019. He has venues that would need assistance with staffing and is looking for volunteers. Mike M suggested we have a sign up sheet at the indoor , and a list of dates when help is needed. We are still waiting on confirmation from Stan. A discount was discussed with Stan and that was a non starter.

New Business:

- Mike M stated that the incorporation paperwork is done.
- We have a new member Doug Szczepanski, he has taken the flight test and is ready to fly. Welcome to the cub!
- We may also have another joining the club, his name is Forrest. John W. helped him with a project that was started long ago and got the plane airworthy.
- The River of Time was a great success, the club handed out flyers and paper airplanes to the kids and had two flight simulators set up.. We had our display on Friday and Saturday with a lot of traffic coming through. We have been asked to attend next year.
