Old Business: Future events are still being discussed with the James Clements airport.

Mike M stated that he is still working on the incorporation paperwork for the club.

The Labor day picnic was a success with a large turnout. The weather was perfect and the food was delicious.

New Business:

John P has put a 12x12 pop up canopy in the shed for the club to use for those hot and sunny days.

The club has not received any info of the River of Times event this year , so we will not be attending.

The last float fly for the Midland rc club is on Sept 27th.

The club is faced with an upcoming expense for our web hosting service through Squarespace. The service from 2024-2025 was covered by John P at a cost of \$192.00 and will expire on 9/11/25 . We all agreed that this was too expensive to continue using.

John P has done the research and has found a reasonable solution.

[Hostinger.com](http://hostinger.com) is the same company that the Midland RC club uses and has the following rates.

12 mo @ \$3.99/mo (\$47.88 total)

24 mo @\$3.49/mo (\$83.76 total)

48 mo @\$2.99/mo (\$143.52 total)

A motion was made to change the web host to [Hostinger.com](https://www.hostinger.com) and was approved for the 12 mo rate for \$47.88.

We will notify John P to change the service.

Motion to adjourn was made at 6:36 pm
