Old Business:

- 2 members went to the IAC event in July to provide assistance however, the help was not needed.
- The River of time event is in September 28 and 29.
- Mike M. talked to Stan about the indoor flying. He would like us to help with more events with the possible help from the local clubs.
- The New hope Bay nursing home event is on hold.

New Business:

- John W. picked up a plane from a customer of Roger's hobby shop. It is a Goldberg Eagle 2 kit that is built, but needs all the electronics installed. He would like to see it fly and possibly buddy box it as well. Progress is coming along and should be ready soon.
- Pat lost an airplane in the corn and employed the services of a full scale helicopter to locate his plane. The pilot would not accept payment but would rather have a donation made to the Can Council bay Area organization. Pat donated \$100 and the club will send a check with our letterhead . The pilot and his wife will be named on the letter. Randy and Barbara Hayward.
