

Name: _____

What if Honeybees went extinct?

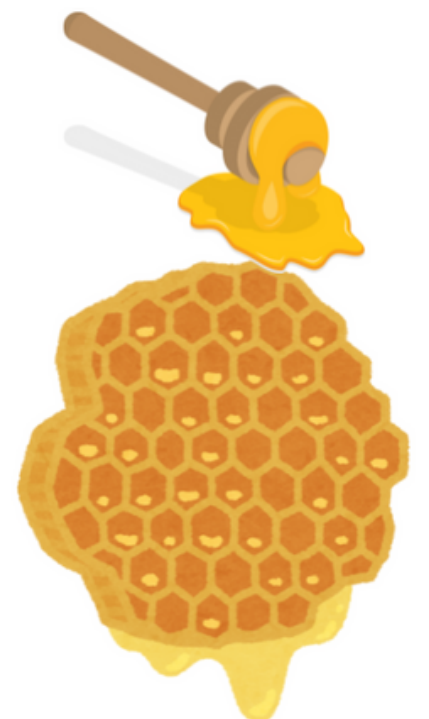

How can you help honeybees?

Draw a picture of something you could do to help bees- like planting flowers or not spraying chemicals.

Then write one sentence about how your idea helps bees!

Example: "I can help bees by _____."

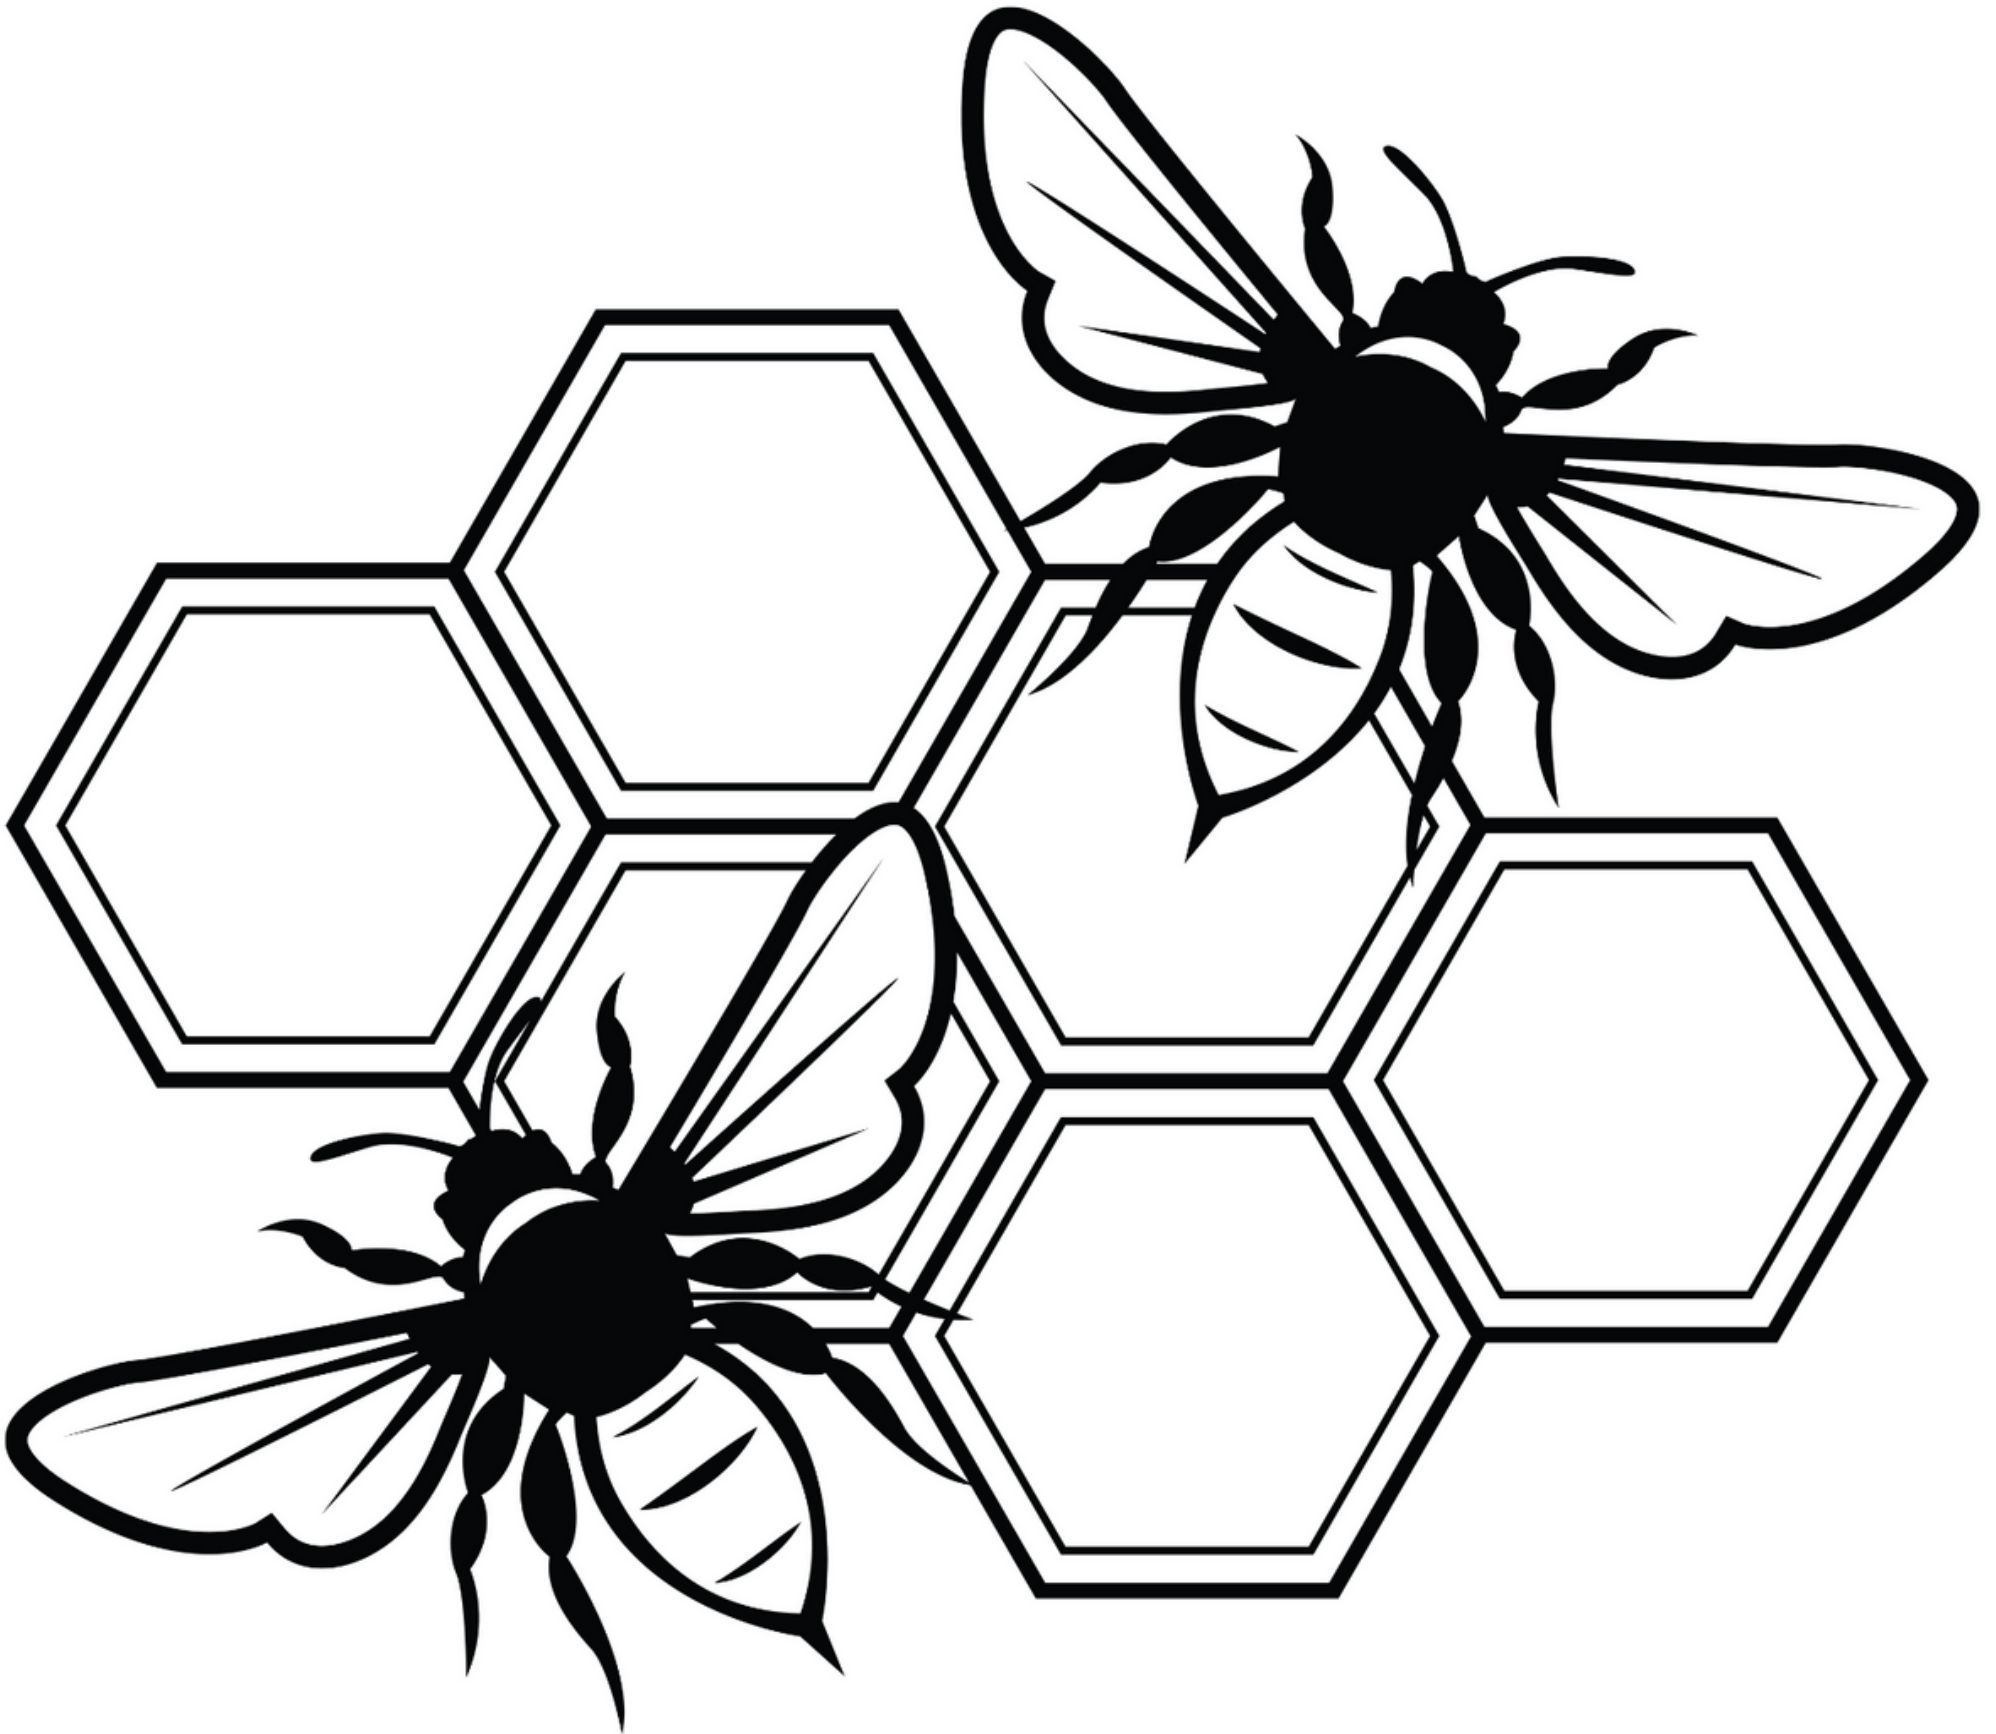

Name: _____

Curiosity Kids:
**What if Honeybees went
extinct?**

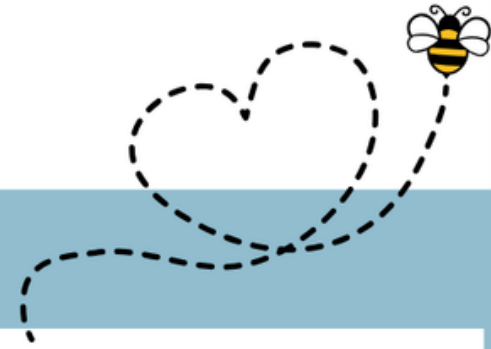

Directions:

Color the Honeybees and their Honeycombs!

Curiosity Kids

Why are Honeybees important to our planet?

What do bees make that humans use?

How do bees help plants grow?
