

NAME: _____

CURIOSITY KIDS: WHERE'S THE HOTTEST PLACE ON EARTH?

1. What makes Lut Desert so hot?

- A. It's close to a volcano
- B. It's low, dry, and gets lots of sunshine
- C. Because fire ants live there

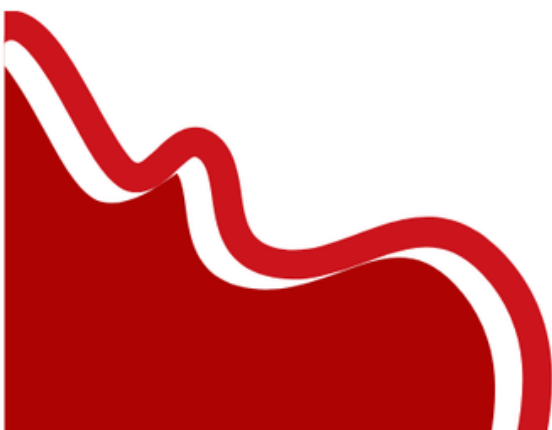

2. Short Answer (Creative Thinking):

If you traveled to Lut Desert, what 3 things would you bring and why?

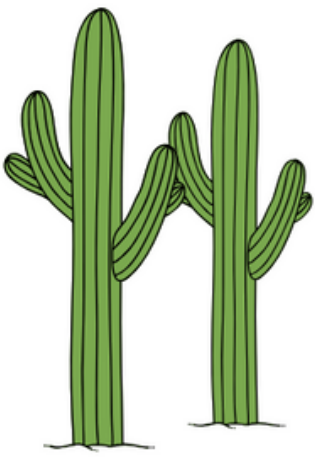

3.  Draw and Imagine (Creative Expression):

Draw a picture of what you think it would look like in Lut Desert.

Include things like the sun, sand, animals and what you would wear.

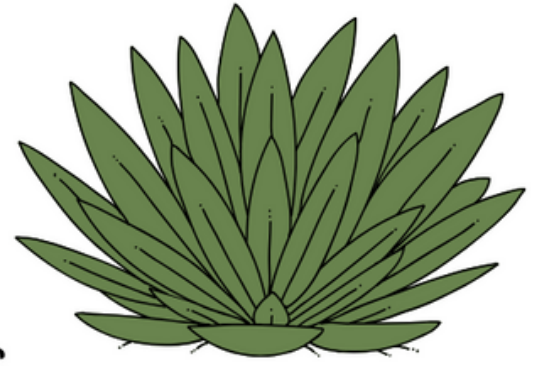

Name: _____

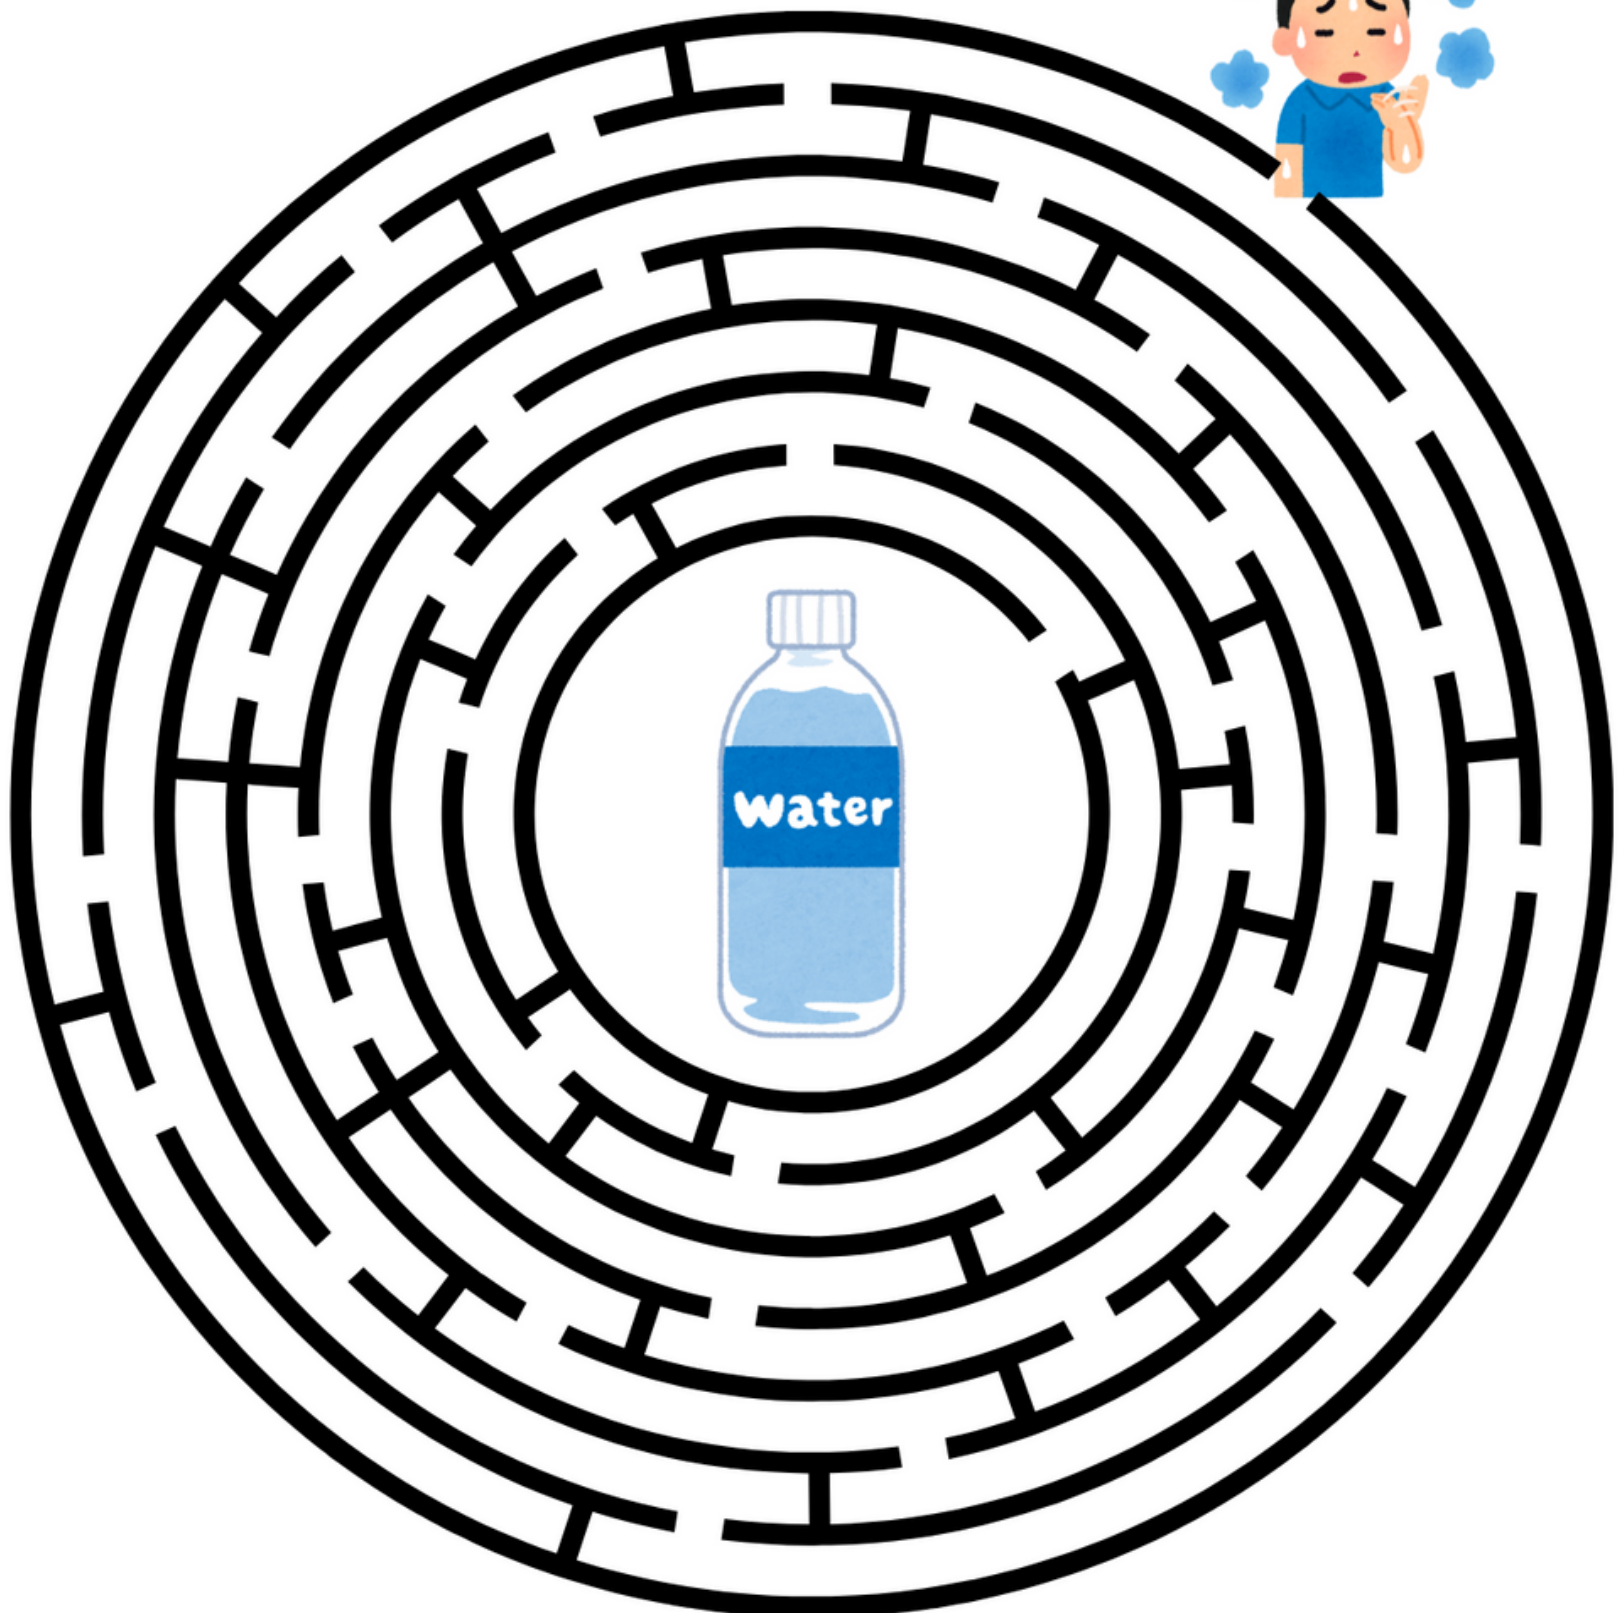

Curiosity Kids:

Where's the Hottest Place on Earth?

might find in the desert!**

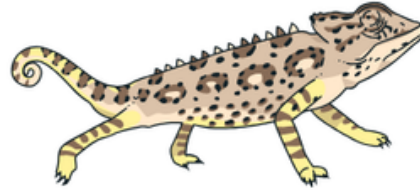

Name: _____

Curiosity Kids

☀️ Finish the Story:

The Hottest Place on Earth

The hottest place on Earth is called **Lut Desert**, where the sun shines really bright and the sand feels like a giant oven! Imagine you are an explorer visiting this super hot place for the very first time.

Start your story here:

“When I stepped into the hottest place on Earth, I felt the heat all around me. The air was so warm it felt like I was standing inside a giant oven! Suddenly...”

Now it's your turn! Write what happens next:

- Do you meet any animals or people?
- What do you see or hear?
- How do you stay cool?
- Do you discover any secrets about this hot place?

Write 4–5 sentences to finish the story!
