

Greetings Members,

30th BIRTHDAY CELEBRATION

We did not have a formal Club meeting in December; instead, we celebrated our 30th birthday. Two hundred seventeen (217) members came together to help us celebrate. The evening was full of camaraderie, meeting new friends, enjoying food, talking fishing with our Captains, and, for many, hopefully winning terrific prizes! The Everglades room was full, and the energy was electric. Our visiting Captains were amazed at what they saw and were excited to be a part of our celebration. Thanks to the generosity of our Captains and the local community, the Club raffled off more than 50 prizes that members could win. The scope ranged from fishing charters, to gear, to gift cards to restaurants in The Villages, to some unique items for the home! The member's generosity in buying raffle tickets was amazing.

If you missed it, you missed a great evening! A picture is worth a thousand words, so here are lots of words! They are also available on the Club's Website by clicking [here](#).
