23-26/27th November 2026

Annual Winter Mediumship seminar at The Grand Hotel, Blackpool.

Dear friends

After a successful week in 2025, I am pleased to give details for our 2026 annual seminar.

The Grand hotel is one of the Elite conferencing hotels in Blackpool, definitely an upgrade on the Savoy. There is a lovely lounge and bar area, lunch is not included in the price. There is a good bar menu which is very reasonably priced, we are being offered a price again which is incredibly reasonable, as we now have to pay for conference rooms. This would have been the same if we had stayed at the Savoy-we have had them free up to now, which is amazing.

PRICES:

Residential :- Monday 4.30pm-Thursday 5pm

inclusive of Dinner/bed/breakfast, course fees and coffees/teas £325

If you wish to leave Friday morning, inclusive of Dinner, Bed and Breakfast £375

There is a single room supplement of £30.00 per person per night

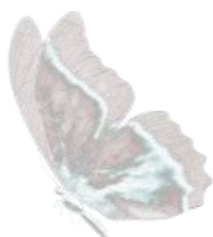

This is due to the fact that there are very few single rooms available, but there are twin rooms for those willing to share.

Non Residential Day Visitors

£140

Only £40 per day inclusive of course and coffees, must attend full course

The Illuminations will also be on at this time so that is a bonus!
The hotel features some fabulous leisure facilities.

As always Transport can be arranged from Manchester Airport for overseas visitors. For anyone arriving by train into Blackpool Railway station there are taxis outside. (the hotel is 5 minutes from the station) The hotel is on the promenade at the quiet end of Blackpool with trams easily available if you come early and want to visit the town,

The Hotel requires me to pay a deposit when I book the rooms and to pay in full 6 weeks before we arrive. As I have always done, I will write to ask you for the balance 6 weeks in advance of the seminar date. The deposit is, as always, non-refundable.

Thank you
