Align yourself with a great event and support our veterans.

When you donate to the Water Oak Veterans Club Golf Outing, you are helping Veterans in Water Oak and surrounding communities. We provide food and housing assistance to Veterans who might otherwise find themselves homeless. Our organization also focuses on Veterans with PTSD and we donate to the Ashley's House in Eustis which provides a home to Women Veterans that are homeless or suffering from PTSD. Our Veterans Club is made up of 100% volunteers and therefore 98% of the money we collect goes directly to help our fellow Veterans.

By donating, your company will reach over 10,000 people with our advertising, web site mentions, FaceBook posts, and flyers. You will also personally meet over 250 people at the dinner/dance in our Main Clubhouse after the golf outing.

The Golf Outing is played on Water Oak's recently renovated golf course. Water Oak Country Club is conveniently located in Lady Lake, FL, off Routes 441/27 between Leesburg and Ocala. Our 18-hole Mel Bishop & Lou Grimes designed course is one of Lady Lake's hidden gems. It is situated within 300 acres and is a designer's dream with its hills, ponds and majestic oak trees.

Thank you in advance for your support!
