

LOVE OF MY LIFE

QUEEN

Part 1 - Introduction

SONG OVERVIEW

"Love of My Life" is an amazing song by the British rock band Queen. It was written by Freddie Mercury, the lead vocalist of Queen. The song was originally released on their 1975 album, "A Night at the Opera." This song is famous for its emotional lyrics and the beautiful piano melody. It talks about losing someone you love and the pain that comes with it. Many fans consider it one of Queen's most beautiful songs.

ABOUT QUEEN

Queen is a legendary rock band from London, England, formed in 1970. The band members were Freddie Mercury (vocals and piano), Brian May (guitar and vocals), Roger Taylor (drums and vocals), and John Deacon (bass guitar). Queen is known for their unique style, combining rock, opera, and pop music. They have many famous songs like "Bohemian Rhapsody," "We Will Rock You," and "Another One Bites the Dust." Freddie Mercury was known for his incredible voice and charismatic performances. Sadly, he passed away in 1991, but Queen's music continues to be loved by millions of people around the world.

Love of my life, don't leave me

You've stolen my love

And now desert me

Love of my life can't you see?

Bring it back, bring it back

Don't take it away from me because you don't know

What it means to me

You will remember

When this is blown over

And everything's all by the way

When I grow older

I will be there at your side to remind you

How I still love you

(I still love you)

Listen and read:

Oh, hurry back, hurry back

Don't take it away from me

Because you don't know

What it means to me
