A scholarship/athlete award will be awarded to a male and female YMCA competitive swimmer for the 2025-26 season. The financial amount will be based on income generated by the 2026 NYS YMCA Swimming Championship, but will be no more than \$1000 per participant. Ties will result in the splitting of the award. Applicants must be graduating seniors, current NYS YMCA Swim Team members, and entered in the 2026 NYS YMCA Swimming Championship. The State Swimming Scholarship Committee will review applications. All decisions by the committee are final.
