ABOUT US

We're a bunch of IT geeks who decided to trade in our keyboards for cotton threads. Based in Coimbatore-Cotton City, we're on a mission to take fabric to the next level globally! We believe in one thing: quality fabric so good, you'll want to cuddle with it. Our goal? To make fabric both evergreen and unforgettable. Join us as we bring top-notch quality and a touch of techy charm to the world.

YOUR JOURNEY WITH US

THREAD FINDERS

From the first conversation to the final stitch – every step is a promise delivered.

Connect

Reach out however you like – carrier pigeons not required! Whether you prefer calling, texting, emailing, or sending smoke signals (just kidding, sort of), we're always happy to hear from you. Your first hello sets the thread in motion!

Brainstorm

Time to brainstorm! Tell us your wildest ideas, your grand vision, or even that one random thought – we'll take it and work our magic to turn it into your perfect t-shirt!

Where concept meets couture

Thread Finders—where creativity meets luxury. Where concept meets couture, we craft bespoke apparel that embodies precision, quality, and distinction, elevating every idea to its finest form.

Design

We create bespoke fabrics that embody your unique style. Every piece is meticulously crafted Merging artistry with precision, each design is a unique expression of texture, color, and vision—tailored to perfection.

Endorsement

Endorse your vision with unparalleled precision. From concept validation to final execution, we transform your designs into perfection, ensuring every detail is meticulously crafted and flawlessly delivered

On time. Quality in every thread.

Every delivery is on time, every detail is perfect. 'Great things are not done by impulse, but by a series of small things brought together.' Share your feedback and let's continue refining greatness together.

Delivery

On time, every time. We deliver perfection, with every design carefully wrapped and shipped to ensure it arrives in pristine condition

Insights

Your satisfaction is our blueprint. Share your insights, and let's perfect the experience together.
