

Material Safety Data Sheet (MSDS)

Section 1: Identification

- Product Name: Industrial Hand Cleaner Gel (KAB PURE 100)
- Recommended Use: Heavy-duty cleaning of hands, removal of grease, oil, paint, grime, and industrial soils, etc.
- Manufacturer: Lookmani Enterprise.
- Reg. Address: B5, B6, Armaan Industrial Estate, Golani, Waliv, Vasai E 401208
- Contact Information: kablubricants@gmail.com
- Emergency Phone Number: +91-8850105253

Section 2: Hazard Identification

- Classification (GHS): Eye Irritation Category 2B; Skin Irritation Category N.A.
- Signal Word: Warning
- Hazard Statements: May cause mild skin irritation upon excessive exposure; Causes eye irritation on direct contact.
- Precautionary Statements: Avoid direct eye contact; Use only as directed.

Section 3: Composition / Information on Ingredients

- The exact chemical composition is withheld as a Trade Secret in accordance with global standards.
- Contains surfactants, emulsifiers, thickening agents, essential oils, moisturizers, and fragrance.

Section 4: First Aid Measures

- Eye Contact: Rinse cautiously with clean water for several minutes. Remove contact lenses if present and easy to do. Seek medical advice if irritation persists.
- Skin Contact: Generally safe for skin. If irritation occurs, wash with plenty of water.
- Inhalation: Not applicable (non-volatile gel).

- Ingestion: Rinse mouth with water. Do not induce vomiting. Seek medical advice if large quantities are swallowed.

Section 5: Fire Fighting Measures

- Flammability: Not classified as flammable.
- Suitable Extinguishing Media: Water spray, foam, dry chemical, CO₂.
- Protective Equipment for Firefighters: Standard protective gear.

Section 6: Accidental Release Measures

- Personal Precautions: No special measures required. Avoid contact with eyes.
- Environmental Precautions: Prevent entry into drains or waterways in large quantities.
- Methods for Cleaning Up: Wipe or mop up with absorbent material and dispose according to local regulations.

Section 7: Handling and Storage

- Store in a cool, dry place, away from direct sunlight.
- Keep containers tightly closed when not in use.
- Avoid freezing or excessive heat.

Section 8: Exposure Controls / Personal Protection

- Occupational Exposure Limits: Not applicable.
- PPE: None required under normal use. Use protective eyewear if risk of splashing exists in industrial use.

Section 9: Physical and Chemical Properties

- Appearance: Gel
- Color: Beige
- Odor: Mild Lemon
- pH: 4.0 – 5.0 (skin friendly)
- Solubility: Miscible with water
- Flash Point: Not applicable
- Viscosity: ~5000-6000cp at 25°C

- TVC : <10
- Arsenic: Not Detected
- Heavy Metals: Not Detected

Section 10: Stability and Reactivity

- Stability: Stable under normal storage and handling.
- Reactivity: No hazardous reactions known.
- Conditions to Avoid: Extreme heat, direct sunlight, freezing.

Section 11: Toxicological Information

- Not expected to be toxic under normal conditions of use.
- May cause mild skin irritation upon excessive exposure.
- May cause mild eye irritation.
- No known chronic effects.

Section 12: Ecological Information

- Product is biodegradable.
- Large releases should not enter watercourses.

Section 13: Disposal Considerations

- Dispose of in accordance with local, regional, and national regulations.
- Do not discharge large amounts into sewers or waterways.

Section 14: Transport Information

- UN Number: Not regulated
- Transport Hazard Class: Non-hazardous
- Packing Group: Not applicable

Section 15: Regulatory Information

- Complies with GHS, and equivalent international standards.
- Composition with-held as Trade Secret under applicable chemical disclosure regulations.

Section 16: Other Information

- Revision Date: 10/09/2025
- Prepared by: Lookmani Enterprise.
- Disclaimer: Information is accurate to the best of our knowledge.
