YOUR A.A. MEETING is located in an A.A. service district known as District 28. The D28 Committee (*current members listed below*) has a 13-year legacy of focusing its service and support on the large number of men and women suffering and recovering from alcoholism inside the many correctional, behavioral health, and treatment facilities within our district...and the men and women who carry A.A.'s message of hope and recovery into them. These facilities include, but are not limited to:
