Admissibility

7. This Reference has been filed within 2 months of the action of the Respondent State that the Applicants complain about, which occurred on 13/04/2022, when the Applicants watched a live broadcast of the Parliament of the Respondent State, where the Honourable Member of Parliament for Ngorongoro made a Statement in respect of the Respondent State's statements and actions regarding the Ngorongoro Conservation Area, which is further elaborated below. 10

Facts of the Reference

8. That, the Applicants are nomadic pastoralists who have since time immemorial been the legitimate owners and occupants of the area now named the Ngorongoro Conservation Area. The land cumulatively measures 8,292 square kilometres, which land is situated in the Ngorongoro District, Arusha Region and is conveniently described in the 2nd Schedule of the Ngorongoro Conservation Area Act. **The Ngorongoro Conservation Area Act is herein attached as Annexure NM-2 to form part of this Reference.** 20
9. That, the land referred to under paragraph 8, which is the ancestral land of the Applicants, serves as their only home, seasonal and cyclic use for their livelihoods, cultural, ceremonial and spiritual purposes.

10. During the dry seasons, the Applicants, and their ancestors from time immemorial, moved freely from one section of their ancestral land to another in line with their existing Grazing Plans to different rangelands within the premises described under paragraph 8 of this Reference in search of water, pasture, salt licks and other important minerals for their livestock within the expansive area described under the said paragraph 8 of this Reference.
11. The Applicants and their community have for centuries practiced cultural and religious practices, within the land now known as Ngorongoro Conservation Area, which *inter alia* include: -
- a. The Applicants and their community use the area in question to lead a pastoralist way of living, using the available natural resources, taking care of their cattle and the area of land to practice a nomadic lifestyle, living in balance with nature without breaching any of the provisions of environmental law. 10
 - b. That, the Applicants and their community use the Ngorongoro Crater floor from *endoinyo e rumbe*, *endoinyo enkitati*, *enkoitoi oo Itwati*, *Sama* and *Enkoitokitok* as a traditional and cultural site for performing rites of passage ceremonies and for confirmation of each age-set system and every incoming age group traditionally known as *Enkipaata* from time immemorial.
 - c. The rites of passage described under paragraph 11(b) above is an important cultural activity which takes place at every commencement of every age group at an interval of 18 years and accordingly is of great significance to the Applicants' Community and their identity as a distinct people. 20
 - d. That, the Applicants use *ang'ata oloirien* within the land described under paragraph 8 of this Reference for performing traditional *Eunoto* to signal the end of active Moran role that are always conducted 9 years prior to the end of the particular age group.

- e. That, the Applicants and their community consider *Oi-Doinyo Lengai* ("The Mountain of God") a sacred mountain, used for centuries by the Applicants as a traditional site allowing them to communicate to God for handling the hardships, calamities and the mountain is also used by the community as a site of offering sacrifices to God.
 - f. That, the Applicants and their community have well-established cultural attachment to the *Lemakarot* Mountain as a special means to communicate to the Deity, including conducting sacrifice to God for relief of unintended wrongs against God by any members of the community.
 - g. That, the Applicants and their community hold sacred spiritual attachment to *Loolmalasin* ("God Natural Calabash Mountain") as the only sacred place where they present to their Deity of the man-made gifts from both environment and their cattle as both thanksgiving and prayer in time of scarcity. 10
 - h. That, Applicants and their communities' cultural and spiritual attachments described under paragraph 11 sub-paragraphs (a) to (g) immediately above have no alternative and defines them as a people, their culture and spirituality.
12. That, the Applicants hold the title for all that land now named as Ngorongoro Conservation Area as an ancestral, cultural and grazing land for themselves and in trust for their future generations under an elaborate traditional customary land tenure system that includes a Grazing Plan that facilitates the movement of livestock freely and in a cyclic manner. 20
13. Under the Respondent State's law, the Applicants are exclusive lawful owners of the land described in the schedule to Annexure NM-2 as since the creation of conservatory status in the Applicants' land has never extinguished their ownership or interest to land within the Ngorongoro Conservation Area.

14. The Applicants' interest in the Ngorongoro area among others is ancestral and cultural grazing land which predates the modern social set-up and they have neither ceded nor relinquished their interest to any third party under any arrangement whatsoever for centuries.

15. That, the Applicants being the indigenous occupants of the land now known as Ngorongoro Conservation Area are entitled to the protection accorded to indigenous inhabitants under the African Charter on Human and Peoples' Rights, Universal Declaration of Human Rights, International Covenant on Civil and Political Rights, International Covenant on Economic Social and Cultural Rights and subsidiary instruments of international law.

10

16. That, as part of recognizing the Applicants and their ancestral communities within the Ngorongoro Conservation Area, the law was enacted to recognize and promote their interest and their human rights.

17. That, from 1980, the Respondent State has maliciously side-lined the Applicants, their families and their community attempting illegal means of forcefully evicting them out of the land described in the 2nd Schedule to the Annexure NM-2. That the Applicants and their community have, over the years, undertaken several peaceful campaigns to resist these illegalities, thus ensuring some sort of unhappy equilibrium.

18. That whereas there has been public discourse about various issues affected the Applicant's community in the Ngorongoro Conservation Area in the course of 2022, several officials of the Government, on several occasions, had assured the Applicants' community and the public at large that there would be meaningful dialogue and that should relocation be confirmed as an option, that it would be voluntary and would comply with the applicable principles in the Respondent State's Constitution, national laws as well as the applicable international laws.

20

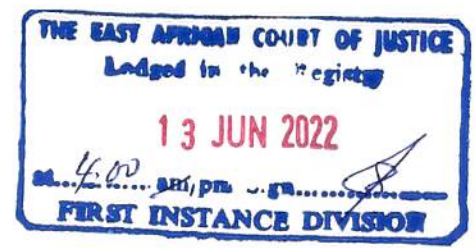

19. That, on 13/04/2022, the Member of Parliament for Ngorongoro Constituency in the Respondent State, Hon. Mr. Emmanuel Lekishon Shangai, stated in the Parliament of

the Respondent State, that the Respondent State had written a letter instructing the transfer of all monies previously allocated to education and health services to the villages in the Ngorongoro Conservation Area which is the subject of this Reference, to be transferred to Handeni District in Tanga Region of the Respondent State. This action would naturally suffocate the Applicants and their community members in the villages for lack of key services and facilities essential for their survival. **The live broadcast, and the letter referred to by the said Hon. Shangai, are herein attached as Annexure NM-5 to form part of this Reference.**

20. That, for the avoidance of doubt, both the 1st Applicant and the other Applicants aver that the first time they got to know of the impugned action of the Respondent State was from the speech, in Parliament by the said Member of Parliament, Hon. Emmanuel Lekishon Shangai. The 1st Applicant and the other Applicants aver that it is only subsequently, by exercising due diligence, did they manage to procure a copy of the impugned letter under reference. 10
21. That, with the above information, it then became clear to the Applicants that, despite its previous assurances, the Respondent State has illegally commenced a secret plan to unlawfully evict the Applicants from the land described in Annexure NM-2, and, for that purpose, a decision seems to have been made to relocate them to Handeni District, Tanga Region without involving the Applicants, as required by the Respondent's own national Constitution and laws, and by international law. 20
22. That, at the Respondent State's National Assembly, on subsequent discussions as to the impending eviction of the Applicants' from their ancestral land which is the subject of this Reference, several of the Respondent State's Members of Parliament advised the Respondent State **not** to engage Applicants, but rather to deploy brute force and military tanks against Applicants and their community who are all citizens of the Respondent State. **The copies of the Respondent's Parliamentary Hansard are herein attached as annexure NM-6.**

23. That, on different occasions the Respondent State has sponsored media misinforming the public, targeting and degrading the Applicants and their community. The collection of the harmful media campaign sponsored by the Respondent State against the Applicants herein and their communities residing within the land described in the schedule to the Annexure NM-2, **are hereby annexed as Annexure NM-7 to form part of this Reference.**
24. That, the Respondent State, through its Prime Minister, publicly stated that the Applicants and their communities are not entitled to key government services entitled to other citizens of the Respondent State. **The Statement by the Prime Minister of the Respondent State is hereby annexed as annexure NM-8 to form part of this** 10
Reference.
25. That, from 18/04/2022, the Respondent State sponsored and ran a globally televised campaign, which, *inter alia*, targets, degrades and dehumanizes the Applicants, their community, their culture and their history. **The video statements are herein attached as Annexure NM-9 to form part of this Reference.**
26. That, on 28/04/2022 the Respondent State's Chief Government Spokesperson openly declared that deliberate denial of life-saving services to the Applicants and their community is meant to secure relocation out of the land described under paragraph 8 of this Reference. **The audio remarks from the Respondent State's Chief Spokesperson is attached herein as Annexure NM-10 to form part of this** 20
Reference.
27. That, on 13/05/2022, the Respondent State's President further stressed the desire to evict the Applicants and their community out of the land described under paragraph 8 of this Reference, without the knowledge of or consulting Applicants and their Community. **The video statement of the Respondent State's President is herein attached as Annexure NM-11 to form part of this Reference.**

28. That, on 13/05/2022, the Respondent State's President again stressed the desire to evict the Applicants and their community out of the land described under paragraph 8 of this Reference without the knowledge or consulting Applicants and their Community. **The video Statement is herein attached as Annexure NM-12 to form part of this Reference.**

29. That the evictions and threats of policy sanctions targeting the Applicants are ongoing in the land that legally belongs to the Applicants and their ancestral communities.

30. That the Applicants contend that they were not notified of the process to set apart and divide their ancestral territories or to evict them out of their lawful ancestral land to enable them to participate actively and freely in any of such processes.

10

31. That the Respondent has not adhered nor followed the legal recourse as provided under the Constitution, and national and international law, on how transfer of ownership of land or the change of land uses should be done.

32. That Applicants have resolved and passed a unanimous resolution to institute a legal case for redress. **The copies of the said Minutes are hereby annexed and marked as NM-13 collectively to form part of this Reference.**

ANNEXURE NM-1

Minutes of the Meeting Held by the Community of Ngorongoro Division in Endulen Village on 30 May 2022

Agenda 1: Opening Meeting

The meeting was opened by Mr Metui Ole Shaudo, a traditional leader, who congratulated all community members coming from different parts in Ngorongoro Division to attend it. The traditional leader added that the meeting they were participating in was big enough that every participant should raise their points clearly to allow more attendees a chance to express their opinion.

The traditional leader invited all attendees to contribute to the item featuring on agenda. He then declared the meeting open at 12:34 pm.

Agenda 2: Coordination in Taking Legal Measures

Community members in Ngorongoro Division discussed in detail the conflict continuing to unfold between them and the government. It was discovered that a number of political and social steps were already taken in addition to the discussions held without leading to any successful results in resolving the dispute. Furthermore, the members indicated that despite meeting with the government several times, no solution to the problem has been found.

After a long discussion, community members agreed to file a case with the East African Court of Justice. They unanimously agreed to appoint Mr Thadeus Clamian to represent them as the first complainant in our case filed against the Tanzanian government. Hence, it has been concluded that a list of names and signatures should be attached to the minutes.

Last Agenda: Closing Meeting

The traditional leader, Metui Ole Shaudo, closed the meeting by inviting one attendee to close it with prayers. Attendees started leaving at 4:30 pm.

Mheshimiwa Spika, ninakuomba Mheshimiwa Waziri Mkuu kwenye huu mradi mkubwa hawa wananchi ambao mradi huo wa reli wa SGR utapita basi, wapewe kipaumbele kwenye maeneo ya vile vyumba ambavyo vitakuwepo kwa ajili ya biashara ili vijana wetu nao wapate ajira, kuliko hawa wenzetu wenyewe wa Serikali kuanza kuandika majina mbalimbali na kuchukua vile vibanda halafu wao ndiyo wanafanya biashara.

Mheshimiwa Waziri Mkuu nirudie kusema kwamba ofisi yako inafanyakazi nzuri na nchi yetu kwa kweli kwa kiwango kikubwa inakwenda vizuri.

MHE. EMMANUEL L. SHANGAI: Mheshimiwa Spika, ninashukuru kwa nafasi na mimi kuchangia hotuba ya Mheshimiwa Waziri Mkuu.

Mheshimiwa Spika, kwanza niwapongeze Serikali kwa kazi nzuri wanayofanya. Kule Ngorongoro kazi kubwa

Mheshimiwa Spika, nitakuwa sijawatendea wananchi haki nisipozungumzia suala la bei ya mafuta na vyakula. Kwa sasa hivi kule nje maisha ya wananchi ni magumu sana, kule Loliondo sasa hivi watu wananunua mafuta ya dumu la lita tano kwa Shilingi 40,000, sukari imeenda Shilingi 3,500 lakini tunakaa huku tunajifungia tunasema ni kwa sababu ya vita vya Ukraine, kuna tatizo kule nje.

Mheshimiwa Spika, ninaiomba Serikali na ninaishauri Serikali ni wakati muafaka sasa Serikali kupita kwa wazalishaji wote na kuangalia kwamba bei ya vyakula na bei ya mafuta je, ni uhalisia au ni *artificial*? Ni muhimu sana Serikali kuliangalia hili. (Makofi)

Mheshimiwa Spika, kuna suala ambalo tunalizungumzia la barabara, Wilaya ya Ngorongoro haijaunganishwa na Mkoa wa Arusha haijaunganisha na nchi ya Jirani. Tunaishukuru Serikali kwamba imetupa barabara ya lami ya Kilomita 50 kutoka Loliondo mpaka Sale, lakini bado tunahitaji barabara ya lami kutoka Sale mpaka Mto wa Mbu au Kigongoni. Kwa hiyo, ninaiomba Serikali iweze kuiangalia Wilaya ya Ngorongoro kwa sababu maisha ya wananchi yanakuwa magumu kwa sababu hatujaunganishwa na Mkoa wetu wa Arusha na ndiyo maana hata bei ya vyakula inapanda kwa wakati.

Mheshimiwa Spika, kuna suala ambalo Ofisi ya Waziri Mkuu imefanya kule Ngorongoro, ninashukuru kwamba Mheshimiwa Waziri Mkuu amekubali kupokea maoni ya wananchi kuhusiana na eneo la pori tengefu na Ngorongoro. Mheshimiwa Spika, naomba kulielezea Bunge lako na kuelezea masikitiko yangu kwa mbaadhi ya mambo yanayoendelea sasa hivi. Wananchi wa Ngorongoro hawana shida na mtu yeyote ambaye ana hiari ya kutoka Ngorongoro naomba niweke wazi hilo, hakuna mtu mwenye shida na mtu yeyote pale. Wale wote waliojiandikisha kwa ajili ya kuondoka kama Serikali ilivyosema hakuna mtu ambaye anawazuia, ninawashangaa waliojitokeza kusema kwamba wanaomba ulinzi wasipewe ulinzi hakuna shida wataondoka kwa amani.

Mheshimiwa Spika, kuna tatizo moja kwa sasa hivi wale wanaobaki ambao watakuwepo Ngorongoro inaonekana kwamba Serikali inawawekea vikwazo vya kimaendeleo, kuna fedha ambazo zilipelekwa kwa ajili ya vituo vya afya, kwa ajili ya maji, kwa ajili ya madarasa, inaonekana sasa Serikali inahamisha zile fedha kwenda Halmashauri ya Handeni.

Mheshimiwa Spika, Walimu wameandikiwa vituo vya afya wameandikiwa kwamba hizo fedha zihamishwe ziende Handeni. Ninachojiuliza sasa Serikali imeona watu wa muhimu pale Ngorongoro ni wale wanaohiari kuondoka? Wale wanaobaki maisha yao yatakuwaje kama tunawanyima vituo vya afya, kama tunawanyima maji, kama tunawanyima shule; Je, wale wananchi watakuwa sehemu ya Watanzania?

Mheshimiwa Spika, suala lingine kwenye zoezi ambalo linaendelea chini ya ofisi ya Mheshimiwa Nape la anuani ya makazi, kule Ngorongoro hakuna zoezi hilo, Tarafa ya Ngorongoro hakuna zoezi hilo kwanini tusiwahesabu wananchi tukaendelea na program zingine?

SPIKA: Mheshimiwa Ole Shangai kuna taarifa kutoka kwa Mheshimiwa Innocent Bashungwa.

TAARIFA

WAZIRI WA NCHI, OFISI YA RAIS, TAWALA ZA MIKOA NA SERIKALI ZA MITAA: Mheshimiwa Spika, kwanza nimpongeze Mheshimiwa Mbunge kwa mchango wake mzuri, lakini ninapenda kumuondoa wasiwasi, wananchi wote ni wa kwetu kule Handeni tunapeleka miradi lakini hata Tarafa ya Ngorongoro kazi inaendelea. Kwa hiyo asubiri bajeti yangu tutamuonesha ni namna gani ambavyo tumejipanda kuhakikishi hata Tarafa ya Ngorongoro miradi inaenda kama kawaida. Ahsante sana. (Makofi)

SPIKA: Mheshimiwa Ole Shangai unaipokea taarifa hiyo?

MHE. EMMANUEL L. SHANGAI: Mheshimiwa Spika, hiyo taarifa silpokei.

Mheshimiwa Spika, kwa nini sipokei taarifa hiyo, wananchi gani hawa ambao unawasubirisha bajeti nyingine, wakati fedha ambazo zipo kwenye akaunti unaondoa kupeleka Handeni. Leo fedha Shilingi Milioni 500 ambazo zilikuwa kituo cha afya Nainokanoka mnahamisha kupeleka Handeni, fedha Shilingi Milioni 600 kwa ajili ya maji Kata za Alaitolei, Masamburai, Oloirobi na maeneo mengine mnahamisha kwa ajili ya kuwawekea wananchi vikwazo vya kimaendeleo.

WAZIRI WA MAJI: Mheshimiwa Spika, taarifa!

MHE. EMMANUEL L. SHANGAI: Mheshimiwa Spika, naomba ulinde muda wangu.

SPIKA: Mheshimiwa Ole Shangai kuna taarifa kutoka kwa Mheshimiwa Waziri wa Maji, Mheshimiwa Aweso.

TAARIFA

WAZIRI WA MAJI: Mheshimiwa Spika, kwanza ninampongeza Mheshimiwa Mbunge kwa kazi kubwa

anayoifanya katika Jimbo lake, lakini nataka nimhakikishie kwamba hakuna maelekezo yoyote ambayo Wizara ya Maji tumepewa tusiendeleo na shughuli za maji pale.

Mheshimiwa Spika, tuna mitambo ambayo ipo inatekeleza uchimbaji pale katika Jimbo lake, nami kama Waziri wa Maji nimefika. Nataka nimhakikishie na shughuli zinaendelea na Mheshimiwa Waziri Mkuu ametupa maelekezo mahsusi ya kuhakikisha visima vile vinakamilika kwa wakati. Ahsante sana.

SPIKA: Mheshimiwa Ole Shangai unaipokea taarifa hiyo?

MHE. EMMANUEL L. SHANGAI: Taarifa hiyo naipokea lakini anachozungumza Mheshimiwa Waziri yeye anazungumzia miradi ya maji inayoendelea Tarafa ya Sale na Loliondo siyo Tarafa ya Ngorongoro, hakuna mradi wowote wa maji unaoendelea Tarafa ya Ngorongoro hakuna! Sasa hivi miradi yote imesitishwa na Serikali kwa sababu ya kuwawekea wananchi vikwazo vya kimaendeleo.

Mheshimiwa Spika, kwa nini tunawawekea vikwazo? Wananchi hawa wamekuwa pale kwa miaka 60, *is it a nightmare* tukawaondoa kwa siku moja? Kwa mfano, hospitali ya Enduleni ilikuwa inapata shilingi milioni 500 kutoka Mamlaka ya Hifadhi ya Ngorongoro kwa ajili ya kuwatibu wananchi imeondolewa pia.

Kwa hiyo, watoto wadogo akinamama wanakufa kwa kukosa huduma!

Mheshimiwa Spika, sasa Serikali gani hii sasa ambayo inawawekea wananchi vikwazo? Kama tunataka kupunguza watu Ngorongoro siyo kwa namna hiyo ya kuwawekea vikwazo vya kimaendeleo. (Makofi)

SPIKA: Mheshimiwa Ole Shangai kuna taarifa kutoka kwa Mheshimiwa Naibu Waziri wa Afya.

TAARIFA

NAIBU WAZIRI WA AFYA: Mheshimiwa Spika, kwanza nimpongeze mwenzangu kwa mchango wake mzuri, lakini nimhakikishie tu na nimuondoe wasiwasi kwamba hata jana Shilingi Milioni 321 zimetengwa kupitia *Global Fund* kuelekea kwenye eneo analolitaja la Enduleni. Kwa hiyo, asiwe na wasiwasi kimsingi inawezekana *source* za taarifa zimemtisha lakini nikuombe tu kwamba hilo jambo litasimamiwa na uamini ambacho Waziri wa TAMISEMI amekisema na wengine wanachokuambia, tuanze kushirikiana kuanzia sasa tuone tundaenda Pamoja. Kama ambavyo Waziri Mkuu amekuwa akishirikiana na ninyi basi na hayo mengine tushirikiane kwa pamoja tutakwenda vizuri.

SPIKA: Mheshimiwa Ole Shangai unapokea taarifa hiyo?

MHE. EMMANUEL L. SHANGAI: Mheshimiwa Spika, napokea taarifa hiyo kwa masharti, nendeni kwa wananchi mkawaambie mnachosema hapa. Kwa sababu, kinachosemekana hapa ni ili tu tumalize hapa, lakini kinachoendelea Ngorongoro kama walivyoshauri Wabunge wakati mwingine ni bora Bunge hili likajiridhisha kwamba yanayoendelea Ngorongoro siyo haki kwa wananchi wale!

Mheshimiwa Spika, wakinamama mpaka wasafiri Karatu wakapate huduma za afya sasa hivi, vituo havina dawa wananchi tunawawekea vikwazo vya kimaendeleo kwa ajili gani?

Mheshimiwa Spika, leo ukijaribu kwenda pale kupita kwenye geti la Ngorongoro wameweka vikwazo kibao, wananchi ili uingie ni lazima upekuliwe na wengine wanarudishwa hawajui pa kwenda kulala Karatu, unakuta ni mgonjwa alikuja Karatu anazuuliwa getini.

Mheshimiwa Spika, nadhani kwa Serikali inayojali utu, kwa Serikali inaowajali wananchi wake, ni muhimu sana tusifanye zoezi hili la watu kuhiri kutoka Ngorongoro kama

ndiyo njia ya kuwaumiza wananchi wa Tarafa ya Ngorongoro wanaobaki. (Makofi)

SPIKA: Waheshimiwa Wabunge, hii itakuwa ni taarifa ya mwisho kwa mchangiaji Ole Shangai, Mheshimiwa Kundo. (Makofi)

NAIBU WAZIRI WA HABARI, MAWASILIANO NA TEKNOLOJIA YA HABARI: Mheshimiwa Spika, napenda kumpongeza Mheshimiwa Mbunge katika yale ambayo anatamani wananchi wake wafanyiwe. Bahati nzuri tulifika katika Jimbo lake na Mheshimiwa Waziri Mkuu alitoa maelekezo kwa sababu ni Serikali kuhakikisha kwamba wananchi wake wanasogezewa huduma za msingi na kwa maelekezo ya Mheshimiwa Waziri Mkuu, upande wa mawasiliano tunapeleka huduma ya mawasiliano kujenga minara zaidi ya 24 ndani ya Jimbo la Ngorongoro.

Mheshimiwa Spika, kwa hiyo Mheshimiwa Mbunge awe na amani kabisa kwamba ndani ya Jimbo lake la Ngorongoro tunakwenda kufanya kazi nzuri sana, asiwe na wasiwasi kuhusu anuani ya makazi na *Postcode*. Nashukuru. (Makofi)

SPIKA: Mheshimiwa Ole Shangai unaipokea taarifa hiyo.

MHE. EMMANUEL L. SHANGAI: Mheshimiwa Spika, sasa taarifa iliyotolewa na Naibu Waziri, Ngorongoro kuna Tarafa tatu, Tarafa ya Loliondo, Tarafa ya Sale na Tarafa ya Ngorongoro ambayo ndiyo naizungumzia. Kama Naibu Waziri ana uhakika kwamba anazungumzia Tarafa ya Ngorongoro naomba *list* ya Kata ambazo utapeleka minara hiyo, ziwe kwenye Tarafa ya Ngorongoro na siyo Tarafa ya Sale na Loliondo. (Makofi)

Mheshimiwa Spika, suala ambalo lipo liliwasilishwa kwenye hotuba ya Waziri Mkuu kwamba, sasa hivi tunaanzisha mashamba darasa ya kulima nyasi kwa ajili ya mifugo. Wakasema kuna moja lipo Loliondo, mimi ninaamini

kwamba Serikali inatakiwa kutatua matatizo ya wananchi wake na tunatakiwa kutatua matatizo kwa muda mfupi na muda mrefu.

Mheshimiwa Spika, naamini kwamba kwa eneo letu la Loliondo, wananchi wataleta maoni yao chochote kile ambacho kinatakiwa kufanyika tuache mpaka maoni ya wananchi yafike kwanza, tuone wananchi wanavyofikiria kuhusiana na eneo hilo. (Makofi)

Mheshimiwa Spika, baada ya hapo mimi nashukuru lakini wananchi wa Tarafa ya Ngorongoro wasiwekewe vikwazo vya kimaendeleo. Nashukuru sana (Makofi)

SPIKA: Mheshimiwa Agnes Hokororo, atafuatiwa na Mheshimiwa Shamsi Vuai Nahodha Mheshimiwa Abbas Tarimba ajiandae.

MHE. AGNES E. HOKORORO: Mheshimiwa Spika, nakushukuru kwa kunipa nafasi niweze kuchangia hoja iliyopo mezani. Awali ya yote nianze kwa kumpongeza sana Mheshimiwa Rais wetu kipezi Mama Samia Suluhu Hassan, kwa namna anavyoendelea kuchapa kazi na kuhakikisha maendeleo yanapatikana kila uchao, niwaombe tu tuendeleo kumuomba sana Mama yetu Mheshimiwa Rais wa Jamhuri ya Muungano wa Tanzania. (Makofi)

Mheshimiwa Spika, nitumie fursa hii pia kupongeza kazi nzuri zinazofanywa na ofisi ya Waziri Mkuu kwenye maeneo mbalimbali, naomba nitoe ushauri kwenye Wizara ya Kazi, Vijana na Watu Wenye Ulemavu, hasa kwenye eneo la vijana.

Mheshimiwa Spika, tukiangalia kwa mwaka wa fedha 2021/2022 fedha ya Mfuko wa Vijana iliyokuwa imetengwa ilitolewa yote Shilingi Bilioni Moja, lakini kwa masikitiko makubwa kwamba fedha hizo ambazo kila mwaka Waheshimiwa Wabunge walivyokuwa wanachangia huku tulikuwa tunasikia kwamba walikuwa wanaomba hizo fedha ziongezwe.

PARLIAMENT OF TANZANIA

SEVENTH SESSION

Sixth Sitting – 13 April 2022

(The National Assembly Opened at 9:00 AM)

PRAYERS

Speaker (Hon Dr Tulia Ackson) Read the Prayers

SPEAKER: Honorable Members, let's take our seats. Secretary!

MR RAMADHAN ISSA ABDALLAH – ASSISTANT SECRETARY:

DOCUMENTS TO BE TABLED

The following documents were presented before the National Assembly by:

MINISTER OF STATE FOR THE PRESIDENT'S OFFICE – REGIONAL
ADMINISTRATION AND LOCAL GOVERNMENT

Budget Memorandum from the President's Office – Regional Administration
and Local Government for the 2022/2023 fiscal year.

SPEAKER: Thank you so much, Secretary!

MR. RAMADHAN ISSA ABDALLAH – ASSISTANT SECRETARY:

QUESTIONS AND ANSWERS

SPEAKER: Honourable Members of Parliament, we are going to start with
questions addressed to the President's Office – Regional Administration and Local
Government. The Honourable Doroth George Kilave, Temeke Member of Parliament,
can now pose her question.

Pg 1

Honourable Speaker, in Tabora Municipality where that was requested, there
for instance are more than 1000 persons while the number of plots allocated for them
is around 500, almost half the number of applicants. Where would the remaining
applicants be transferred to? The result is they would always ask us to give them
capital. They would request capital from these members of parliament, meaning that
those who had their stalls demolished would no longer have capital.

Para between Pg 53 and 54

Honourable Speaker, it has been reported that the SGR project that is ongoing throughout the country will see several buildings constructed at different locations, not least in prime locations where business centres, including shopping malls at the very least, will be established. Honourable Prime Minister, it has been normal to find government officers starting to allocate plots to themselves even in local councils where one would find the plots reserved for the establishment of business enterprises.

Honourable Speaker, I ask the Prime Minister to make sure that people affected by the construction of a standard-gauge railway are given priority when it comes to the allocation of areas reserved for the establishment of business ventures. And also for the youth to finally get employed instead of having our fellow government employees submitting different names to give themselves an opportunity to take control of stalls for the purpose of doing business. - 10

Honourable Prime Minister, let me repeat saying that your office is doing a great job and our country is getting better for sure.

Honourable Speaker, I support the motion, thank you so much. (*Applause*)

SPEAKER: Thank you very much. The Honourable Emmanuel Ole Shangai will be followed by the Honourable Agness Hokororo. The Honourable Shamsi Vuai Nahodha should get prepared.

HON EMMANUEL L SHANGAI: Honourable Speaker, I am grateful for the opportunity to contribute to the Prime Minister's speech. - 20

Honourable Speaker, allow me to first congratulate the Government for its formidable work. In Ngorongoro, the Government has done a huge work by providing us with big water projects, especially the project covering eight villages which is called Mageri Project. Allow me to congratulate the Minister of Water for being able to visit the area concerned and making follow-up on every step that has been taken. The Minister visited the area more than three times. (*Applause*)

Honourable Speaker, I would not do right by citizens if I were not to speak about the price of petrol and food. For now, citizens out there are leading a difficult life. In Loliondo, people buy a five-litre gallon of petrol at 40,000 TZS. Sugar now costs 3,500 TZS but we are just locking ourselves here insisting that it is because of the war in Ukraine. There is a problem out there. - 30

Honourable Speaker, I am asking and advising the Government that it is high time it consults with producers to see whether food and petrol prices we now see is something real or "artificial". It is so important for the Government to look at this. (*Applause*).

Honourable Speaker, there is an issue we have been touching on. It is about roads. Ngorongoro District has not been linked to Arusha Region and the neighbouring country. We thank the Government for its contribution in the construction of a 50km road from Loliondo to Sale. However, we still need a tarmac road running from Sale

to Mto wa Mbu or Kigongoni. Therefore, I would like to ask the Government to focus on Ngorongoro District because its residents face a difficult situation as a result of not being linked to Arusha Region, and that is why even food prices have been skyrocketing.

Honourable Speaker, there is something that the Prime Minister's Office has done in Ngorongoro. I am grateful that the Prime Minister agreed to receive opinions from inhabitants in the area regarding the Pori Tengefu and Ngorongoro. That is nothing other than the demonstration of the Government's good will. Allow me to thank the Prime Minister for his readiness to speak about this every time I meet with him and to welcome my people. He welcomed the Leigwanani and spoke to them. We then agreed to pass on to him comments from inhabitants in the area. I am therefore so grateful to the Prime Minister for that. That is a good will that will help us solve the problems Ngorongoro has been confronted with. *(Applause)*

- 10

Honourable Speaker, allow me to explain before the National Assembly and express my sadness over a number of issues we are now facing. Ngorongoro people do not have any problems with anyone wishing to leave Ngorongoro. Let me make that clear. No one has any problem with any person there. Those who registered themselves in the list of those willing to leave, as the Government said, no one is preventing them from doing so. I am surprised to see that there are people coming forward demanding protection. They should not be given protection as they will leave peacefully.

- 20

Honourable Speaker, there is one problem now. Those who will continue to remain in Ngorongoro are apparently facing an obstacle from the Government in terms of their development. There is money that was allocated for the construction of health centres, the development of water infrastructures, and the construction of classes. Apparently, the Government has been reallocating the funds in favour of Handeni Municipality.

Honourable Speaker, teachers have been informed and health centres have been instructed to transfer the funds to Handeni. What I am asking myself now is does it mean that the Government thinks those who are important in Ngorongoro are the ones ready to leave? Those remaining will be having what kind of life if we deprive them of health centres, water, and schools? Does it mean that those citizens will also be regarded as Tanzanians?

- 30

Honourable Speaker, another issue regarding what is now happening under Honourable Nauye's office's instructions, as far as the giving of local addresses is concerned, is that in Ngorongoro, that is not taking place. The programme is not being carried out in Ngorongoro Division. Why shouldn't we do the census and continue with other programmes?

SPEAKER: Honourable Ole Shangai, there is information from the Honourable Innocent Bashungwa.

INFORMATION

MINISTER OF STATE FOR THE PRESIDENT'S OFFICE – REGIONAL ADMINISTRATION AND LOCAL GOVERNMENT: Honourable Speaker, allow me to first congratulate the Honourable Member of Parliament for his great contribution. And I would like to assure him that all citizens are ours. He should not be worried about that. While in Handeni we have been starting different projects, the Government has been continuing with its work in Ngorongoro Division. We will show the Honourable Member of Parliament how we are prepared to make sure that even Ngorongoro Division sees its projects thriving as normal. He should only be patient. Thank you so much. *(Applause)*

SPEAKER: Honourable Ole Shangai, do you accept the information?

HON EMMANUEL L SHANGAI: Honourable Speaker, I do not accept the information.

Honourable Speaker, why don't I receive it? What kind of citizens do you keep waiting for another budget while you have been transferring the money already in the account to Handeni? There were funds to the tune of 500 million TZS. You have been transferring them to Handeni. 600 million TZS allocated for a water project in Alaitolei Ward, Masamburai, Oloirobi and other locations has also been transferred only to impose restrictions aimed at impeding their development.

MINISTER OF WATER: Honourable Speaker, information!

HONOURABLE EMMANUEL L SHANGAI: Honourable Speaker, may you please help protect the time allocated to me.

SPEAKER: Honourable Ole Shangai, there is information from the Honourable Minister of Water Aweso.

INFORMATION

MINISTER OF WATER: Honourable Speaker, I would like to first congratulate the Honourable Member of Parliament for his great job in his constituency, but I would like to assure him that there is no any instructions from the Ministry requiring us to stop our water-related projects there.

Honourable Speaker, we have drilling infrastructures in place. I was there as Minister of Water. I want to assure him that the project is moving forward and the Honourable Prime Minister has given us special instructions requiring the wells under construction to be finalised in time. Thank you so much.

SPEAKER: Honourable Ole Shangai, do you agree with the information?

HON EMMANUEL L SHANGAI: I do agree with that. Nevertheless, what the Honourable Minister says is about water projects in Sale and Loliondo Divisions. It has nothing to do with Ngorongoro Division. There is no any water project currently unfolding in Ngorongoro Division! For now, all projects have been suspended by the

government in the wake of the restrictions imposed against its inhabitants to hinder their development.

Honourable Speaker, why do we sanction them? They have been there for 60 years. Is it a nightmare that they are supposed to be removed in a day? Enduleni Hospital had for example been receiving 500 million TZS from Ngorongoro Conservation Authority to give them access to medical services. That has been taken away as well.

Therefore, women and children lose their lives due to lack of the needed care!

Honourable Speaker, what kind of Government would dare sanction its citizens? If we want to reduce the number of people in Ngorongoro, it should not be through restrictions aimed at hindering their development. *(Applause)*

SPEAKER: Honourable Ole Shangai, there is information from the Honourable Deputy Minister of Health.

INFORMATION

DEPUTY MINISTER OF HEALTH: Honourable Speaker, allow me to first congratulate my colleague for his wonderful contribution. I would however like to assure him that even yesterday, 321 million TZS were put aside before being channelled to the area he has been mentioning through Global Fund: Enduleni. He should therefore not worry about. Perhaps he was frightened due to the source from which he got the information. I ask you to be patient knowing that the project will be closely monitored. I ask you to believe what the Minister of Regional Administration and Local Government has said and what others have also pointed out. Let us begin to cooperate from now onwards for us to move together. As the Prime Minister has been cooperating with you in other projects, let us work together in this for the better.

SPEAKER: Honourable Ole Shangai, do you agree with that information?

HON EMMANUEL L SHANGAI: Honourable Speaker, I would agree with that provided they agree to go and meet with locals to tell them what they have said here because they have only mentioned that for things to end here. However, as Members of Parliament have once suggested, what continues to happen in Ngorongoro in terms of the occasioned injustice against its inhabitants should be something the Parliament should go and verify!

Honourable Speaker, mothers until now find themselves obliged to travel to Karatu to receive health services. Health centres in Ngorongoro lack medicine. Why should the local population face development challenges following the hurdles put in place by the Government?

Honourable Speaker, if you try to visit the area today and go past the Ngorongoro gate, you will stumble across a lot of obstacles. For locals to be able to

enter, they must be inspected. Others are being turned away not knowing where to go to sleep in Karatu. At times, it is a sick person getting back from Karatu who would find themselves getting stopped at the gate.

Honourable Speaker, I think it is very important for a government that respects one's dignity and that respects its people to not involve people from Ngorongoro in this willingly as a way to put into trouble those wishing to remain in Ngorongoro Division. *(Applause)*

SPEAKER: Honourable Members of Parliament, this will be the last opportunity for someone to inform Ole Shangai, Honourable Kundo. *(Applause)*

DEPUTY MINISTER OF NEWS, COMMUNICATION, AND ICT: Honourable Speaker, allow me to congratulate the Honourable Member of Parliament for what he has been aspiring to for people in his constituency. Luckily enough, we did visit his constituency with the Prime Minister who by virtue of being the Government's representative instructed that citizens living in the area should have basic services close to them. Following his instructions, we, people in the communication sector, are now working to ensure that they receive communication services thanks to the installation of more than 24 telecommunication towers within the constituency of Ngorongoro. - 10

Honourable Speaker, the Honourable Member of Parliament should therefore stay calm given that we are going to do a great job in his Ngorongoro constituency. He should not be worried about local addresses and "Postcode". Thank you. *(Applause)* - 20

SPEAKER: Honourable Ole Shangai, do you accept the information given?

HON EMMANUEL L SHANGAI: Honourable Speaker, in Ngorongoro there are now three divisions: Loliondo Division, Sale Division, and Ngorongoro Division which we are talking about. If, the Honourable Deputy Minister, you are certain that you are speaking about Ngorongoro Division, please give me the list of the wards where the towers will be installed. The wards should be in Ngorongoro Division, not in Sale or Loliondo. *(Applause)*

Honourable Speaker, the current matter was discussed in the Prime Minister's speech. We are now starting field courses focusing on how to grow hay for livestock. They said there is one in Loliondo, and I believe that the Government is supposed to deal with problems faced by its people and that we are supposed to solve the problems in the short term and in the long run. - 30

Honourable Speaker, I believe that residents of Loliondo will give us their feedback regarding what has to be done there. Let us stop whatever we are doing until we receive their views. Let's see what they think of their area. *(Applause)*

Honourable Speaker, following the discussion, I am grateful for that, but Ngorongoro Division's inhabitants should not have any obstacles put in their way to hinder their development. Thank you very much. *(Applause)*

SPEAKER: The Honourable Agnes Hokororo will be followed by the Honourable Shamsi Vuai Nahonda. The Honourable Abbas Tarimba should get prepared.

HON AGNES E HOKORORO: Honourable Speaker, thank you for the opportunity you have given me to contribute to the matter on the table. First, let me congratulate Her Excellency Samia Suluhu Hassan, our beloved President, for her unwavering commitment to work hard to make sure that we achieve development by the day. Let's keep on praying for our Mother Her Excellency the President of the United Republic of Tanzania. *(Applause)*

- 10

Honourable Speaker, allow me to use this opportunity to also congratulate the Prime Minister's office for their good work in different sectors. Let me give some advice to the Ministry of Employment, Youth and the Disabled, especially by focusing on the youth.

Honourable Speaker, when we look at the 2021/2022 fiscal year, 1 billion TZS – the money that was put in the Youth Development Fund – was all taken away. Sadly, the money came from the Honourable MP's yearly contributions. We heard that they even wanted the money to be increased.
