Summer Vibes with Armbands: Lyrics

Put on your armbands. Let's dive in.
Splashing and laughing. Let the fun begin.
Bright colours floating. So easy to see.
In the water. Feeling so free.

Armbands, armbands float with me,
in the pool so happily.
Armbands, armbands hold me tight,
swimming safely day and night.

Inflate them gently, air inside.
On your arms, they fit just right.
Kick your legs, paddle your hands
with armbands, you can take a stand.

Armbands, armbands float with me,
in the pool so happily.
Armbands, armbands hold me tight,
swimming safely day and night.

From the shallow to the deep
with armbands, we can leap.
Learning to swim, having fun
With armbands, everyone.

Armbands, armbands float with me,
in the pool so happily.
Armbands, armbands hold me tight,
swimming safely day and night.

So grab your armbands, don't delay
Let's go swimming come what may
With armbands on we're ready to go
In the water I'll just flow.
