Debating the topic of Pro-Choice involves presenting and discussing compelling arguments. It is crucial to adequately research and understand the various perspectives before engaging in a debate of this nature. Proponents of the Pro-Choice stance advocate for a woman's right and her choice to have an abortion. Engaging in a respectful and well-informed debate allows individuals to exchange ideas of this complex and sensitive issue.

Within Young's book Off Limits, you will find a complete list of every good argument that some people use to justify abortion.

Dr O Lee Facts

“Off Limits left me speechless. Young’s book is NOT filled with scientific based evidence or references, but I still agreed with every word. I now understand why this topic is off limits.”

Matthew Walt

“Once I started reading Off Limits, I did not put it down until I finished it. Anyone who is struggling with the decision about abortion should read Off Limits. The arguments within Young’s book will give you something to think about.”

Mike Nostern

“Off Limits is a quick read. It is insightful! Even if you are Pro-abortion, you should understand the contents within this book.”
