

Completing Online Presentations

Presentations will provide you with in-depth information. You will notice that there is a time limit enforced for these sections. You must complete the minimum amount of time in each section before the section will turn green.

To advance through the presentation, use the arrows at the bottom of the slide.

If you wish to go back to the main menu you can use the 'Course Overview' at the very top of the page, however, please be aware that this will negate your progress for this section and you will have to redo it.

The screenshot shows a presentation slide with a light blue header bar containing the text '100% Online Pre-Course Work - Provide CPR' and a 'COURSE OVERVIEW' button. Below the header, there are navigation arrows for 'Previous section' (Pre-Course - Resuscitation - Handover) and 'Next section' (Knowledge Assessment - Resuscitation V2). The main content area has a title 'First Aid CPR Laws Ethics - Review' and a 'FINISH THIS SECTION' button. A light blue box contains the instruction 'Please carefully review this learning material.' Below this is the 'Allens Training Pty Ltd' logo and the title 'Laws, Ethics & CPR'. A subtitle reads: 'A basic snapshot of the requirements for the provision of CPR and First Aid treatments for various injuries and illnesses.' At the bottom, there is a 'First Aid Revision' button.

Once you have reached the end of the presentation, you will be able to complete that module by selecting the 'finish this section' button. This will progress you to the next module.

Some of the presentations require you to complete all slides or allow the timer to complete before this button is able to be selected.
