 CASAMANIA

Arrediamo gli spazi del vivere e dell'accoglienza creando emozioni

Casamania è il brand con cui Horn propone sedute e complementi d'arredo per il settore dell'hospitality e per le aree degli uffici destinate all'accoglienza, al relax e al lavoro collaborativo.

Lo stile eclettico del brand trae ispirazione da influenze cosmopolite e d'avanguardia, dando vita a prodotti fuori dagli schemi. L'arredo esce dalla sua semplice funzione per diventare un protagonista capace di arredare gli ambienti con raffinatezza ed eleganza, pur mantenendo un'estetica leggera e sorprendente da un punto di vista formale.

La collezione è utilizzabile in progetti d'arredo di alta gamma dove gli ambienti comuni per il lavoro e il tempo libero vengono progettati per offrire il piacere di essere vissuti.

I prodotti Casamania incarnano la visione di architetti e designer che condividono la nostra stessa passione per la bellezza, l'innovazione e il design. Attraverso la curiosità, il dialogo e il desiderio di sperimentare, si crea un legame speciale tra il brand e i creatori della sua collezione, che si traduce in una serie di arredi che uniscono in modo armonioso forma, funzione, durabilità e sostenibilità.

Horm Italia: Un'azienda, due brand con vocazioni complementari

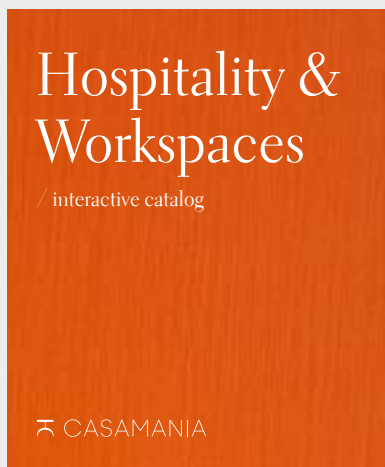

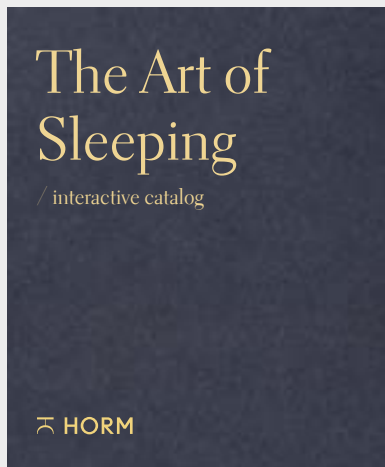

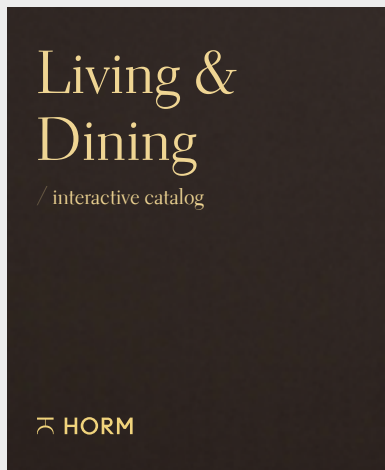

Horm, “sister brand” di Casamania, propone uno stile “contemporary design” dove convivono influenze global reinterpretate dalla cultura, dalla passione e dall’artigianalità del Made in Italy. La collezione, rivolta al mercato residenziale ma utilizzabile anche per il “soft contract”, si contraddistingue per la capacità di far convivere linee eleganti ed elementi di stupore che trasformano gli ambienti per farli diventare espressione di chi li vive. I prodotti Horm sono dedicati a un pubblico adulto, colto e consapevole, che vuole conferire ai propri ambienti un carattere esclusivo e raffinato, coniugando estetica, funzionalità e pregio dei materiali.

In linea con le attuali tendenze del “soft contract”, ciò che caratterizza la collezione è la sua straordinaria capacità di porre al centro dei progetti d’arredo l’esperienza del “cliente”. I mobili Horm non sono solo espressione di funzionalità, durabilità e sostenibilità, ma si pongono come ambasciatori di un’esperienza emotiva unica e indimenticabile. Si traducono in ambienti che emanano un’accoglienza avvolgente, che offrono comfort sublime e che sono caratterizzati da una estetica raffinata, in grado di stimolare i sensi e creare un’atmosfera invitante.

In questo catalogo, accanto ai prodotti Casamania, abbiamo voluto ospitare una selezione rappresentativa dei prodotti più iconici di Horm, offrendo una sintesi in chiave contract della collezione “living & dining” dell’azienda. Abbiamo inoltre reso interattivo il catalogo utilizzando dei QR code (nella versione cartacea) che danno immediato accesso ai prezzi di listino, alle informazioni tecniche e alle varianti di ciascun prodotto.

WE FURNISH LIVING AND HOSPITALITY SPACES BY CREATING EMOTIONS

Casamania is the brand by which Horm offers seating and furnishing accessories for the hospitality sector and for office welcoming areas, relaxation, and collaborative work. The brand’s eclectic style draws inspiration from cosmopolitan and avant-garde influences, giving life to products that break away from convention. Furniture transcends its mere functionality to become a protagonist capable of elegantly furnishing spaces, all while maintaining a light and striking aesthetic in terms of form.

The collection can be used in high-end furnishing projects where communal spaces for work and leisure are designed to offer the pleasure of being experienced.

Casamania products embody the vision of architects and designers who share our same passion for beauty, innovation, and design. Through curiosity, dialogue, and a desire to experiment, a special connection is formed between the brand and the creators of its collection, resulting in a series of furnishings that harmoniously blend form, function, durability, and sustainability.

HORM ITALIA: ONE COMPANY, TWO BRANDS WITH COMPLEMENTARY VOCATIONS

Horm, the “sister brand” of Casamania, presents a “contemporary design” style where global influences coexist, reinterpreted through the culture, passion, and craftsmanship of Made in Italy. The collection, aimed at the residential market but also suitable for the “soft contract,” stands out for its ability to blend elegant lines and elements of surprise that transform spaces, making them an expression of those who inhabit them. Horm’s products are dedicated to a mature and discerning audience that seeks to imbue their spaces with exclusivity and refinement, harmonizing aesthetics, functionality, and the quality of materials.

Aligned with current trends in the “soft contract,” what defines the collection is its extraordinary ability to place the “customer” experience at the heart of furnishing projects. Horm’s furniture isn’t solely an embodiment of functionality, durability, and sustainability; they serve as ambassadors of a unique and unforgettable emotional experience. They translate into environments that exude a enveloping welcome, offer sublime comfort, and are characterized by a refined aesthetic that stimulates the senses and creates an inviting atmosphere.

In this catalog, alongside Casamania products, we’ve aimed to host a representative selection of Horm’s most iconic items, offering a contract-focused synthesis of the company’s “living & dining” collection. Moreover, we’ve made the catalog interactive by employing QR codes (in the print version), which provide instant access to list prices, technical information, and variations for each product.

A través de la curiosidad, el diálogo y el deseo de experimentar, se crea un vínculo especial entre la marca y los creadores de su colección, que se traduce en una serie de muebles que combinan armónicamente forma, función, durabilidad y sostenibilidad.

HORM ITALIA: UNA EMPRESA, DOS MARCAS CON VOCACIONES COMPLEMENTARIAS

Los productos de Horm están dirigidos a un público adulto, culto y consciente que desea conferir a sus espacios un carácter exclusivo y refinado, combinando estética, funcionalidad con la calidad de los materiales.

En línea con las tendencias actuales, lo que caracteriza a la colección es su capacidad extraordinaria para colocar la experiencia del “cliente” en el centro de los proyectos de mobiliario. Los muebles de Horm no son solo expresión de funcionalidad, durabilidad y sostenibilidad, sino que se presentan como embajadores de una experiencia emocional única e inolvidable. Se transforman en espacios que irradian una hospitalidad envolvente, ofrecen un confort sublime y se distinguen por una estética refinada, capaz de estimular los sentidos y crear un ambiente acogedor.

En este catálogo, junto a los productos de Casamania, hemos deseado acoger una selección representativa de los productos más emblemáticos de Horm, ofreciendo una síntesis en clave de contract de la colección “living & dining” de la empresa. Además, hemos hecho el catálogo interactivo mediante códigos QR (en la versión impresa) que brindan acceso inmediato a los precios de de la tarifa, la información técnica y las variantes de cada producto.

Horm, le “sister brand” de Casamania, propose un style “contemporary design” où coexistent des influences mondiales réinterprétées par la culture, la passion et le savoir-faire du Made in Italy. La collection, destinée au marché résidentiel mais également utilisable pour le “soft contract”, se distingue par sa capacité à marier des lignes élégantes et des éléments surprenants qui transforment les espaces pour en faire l’expression de ceux qui les habitent. Les produits Horm s’adressent à un public adulte, cultivé et conscient, qui souhaite conférer à ses espaces un caractère exclusif et raffiné en combinant esthétique, fonctionnalité et qualité des matériaux.

En accord avec les tendances actuelles du “soft contract”, ce qui caractérise la collection, c’est sa capacité extraordinaire à placer l’expérience du “client” au cœur des projets d’aménagement.
