## NATURAL & SUSTAINABLE WELL-BEING

*'We sell only what we grow;  
hence our stocks are limited  
to what our group of farmers  
produce...'*

# OUR PRODUCTS

## Rosemary Hydrosol/ Facial Mist

Rosemary Hydrosol is a refreshing, non-sticky, edible water made from steam-distilling Rosemary herb. It's a fantastic natural solution for boosting hair and skin health. Embrace the natural benefits of Rosemary Hydrosol today!

## Rosemary Essential Oil

Our essential oil is distilled from fresh, locally grown Rosemary at Drshya farms, ensuring quality and purity. It's safe for your skin and hair, promoting hair growth, reducing hair fall, and controlling dandruff. Use it in aromatherapy to refresh your mind, body, and soul.

## Herbal Scalp Tonic

Experience the power of our unique blend of rosemary and other herbs, infused in carrier and essential oils for your daily hair care routine.
