

ROOFING EXPERTS

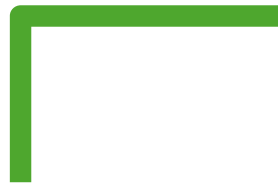

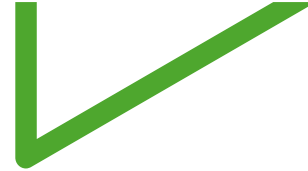

Mission Statement

Our mission is to build a lasting legacy by fostering a family-oriented culture that values teamwork, integrity, and dedication.

We are committed to excellence, focusing solely on the highest quality of installation. With a vision for several decades to come, we prioritize long-term relationships over short-term gains.

As a trusted partner recognized by GAF and ABC Supply, we take pride in our in-house team, ensuring that every project is handled by our own skilled professionals—never subcontractors.

Our warranties go above and beyond the competition, providing our customers with peace of mind. At the heart of our business, we are in the peace of mind business, delivering superior service and a strong sense of community.

Ownership

Velocity is a locally owned and operated company, led by CEO and Founder, Frank Washart.

With over 30 years of experience in roofing and home improvement, Frank has built Velocity on a foundation of expertise, integrity, and a commitment to delivering exceptional results.
