

Application Questionnaire

(Please use back or an additional sheet if you need more room)

Do you have any health issues I should know about?

Are there any triggers I need to avoid that can cause you trauma?

Do you have any physical limitations which might affect activities? (For example, a bad back might affect work assigned. Breathing/sinus may effect how you respond to having your mouth gagged.)

Do you have a problem with calling me Mistress at all times?

What do you seek in a Mistress/slave relationship?

What are some of your favorite sexual fantasies?

Is there any other information you want or need to share?

BDSM Checklist Instructions

In the /first column please indicate whether you have experienced the following activities with a yes or no. "?" means you don't understand what the item is attempting to describe.

For each item indicate how you feel about DOING that activity by rating it on a scale of **NO** or 0 to 5. With **NO** being a hard limit and 0 being a soft limit both are explained below.

"?" - means you don't understand what the item is attempting to describe (please attempt to google the item 1st plus sex i.e. you would google what are; gags excepts would google gags for sex or sex gags.)

NO - means you will NOT do that item under any circumstances (a hard limit).

0 - (zero) indicates you don't like doing it (in fact, may loath it) and would ordinarily object to doing it, but you would permit Me to do it if I really wanted to (sometimes called a "soft limit").

1 - means you don't want to do, or like to do this activity, but wouldn't object if it was asked of you.

2 - means you are willing to do this activity, but it has no special appeal for you.

3 - means you usually like doing this activity, at least on an irregular/occasional basis.

4 - means you like doing this activity, and would like to experience it on a regular basis.

5 - means the activity is a wild turn-on for you, and you would like it as often as possible.

Mark with an asterisk (* **or** ★ **star**) those items which you are willing to do with casual play-partners most often it with just be the two of us though. If you are willing we may bring more it just depends.

Note any additional information or nuances which might be important for me to know in the column to the right.

There is intentionally some overlap between activities. Unless otherwise stated, the sub is the recipient/target of the activity.
