EDUCATION

Brandeis University   May '28

B.S. Computer Science, B.A. Business   Waltham, Masachussets

Wien International Scholar, Davis Scholar   GPA: 4.00

EXPERIENCE

Associate Project Director   Jan '25 - Present

Amigos de las Americas   Asuncion, Paraguay

- **Oversaw and reconciled a program budget of $100,000+**, managing weekly financial reporting, expense tracking, and disbursements for a 6-week international project serving **45+ youth volunteers across 3 rural regions** in Paraguay.
- **Directed procurement and logistics** for transportation, lodging, medical visits, and workshops across **20+ partner sites**, achieving **100% on-time delivery** and adherence to financial audit standards with **zero reporting discrepancies**.
- **Supervised a cross-functional team of 6 staff members** and liaised with **10+ local partner organizations**, ensuring program goals were met and community engagement initiatives were executed on schedule and under budget by **10–15%**.

Coding Teaching Assistant   Mar '23 - Feb '24

Coding for Good - UWCSEA   Singapore

- **Mentored 25+ middle and high school students** in Java across two program cycles, guiding them through hands-on coding projects added to their resume portfolios.
- **Co-developed and delivered a custom Java curriculum** with a team of 6, achieving a **90 %+ project completion rate** and boosting student confidence in core programming concepts.

COURSEWORK

Computer Science: Advanced Techniques in Java, Discrete Structures, Data Structures and Algorithms, Web Development
