High quality **glass fiber** type safety helmet for construction site

ABS Helmet Strengthening and Thickening

High temperature integrated
molding

A body forming impact
abrasion resistance

New materials are not
adulterated

Wear resistance and
shock resistance

High quality **glass fiber** type safety helmet for construction site

Safety Helmet

High-color carbon fiber design
meets the needs of specific groups
of people

Customers reported that ordinary safety helmets didn't have enough face value.

So we developed carbon fiber patterns to meet the needs of a specific population.

PVC Material+steel toe and steel sole

防护专业的鞋

我们始终坚持更高标准

801/BL

Product Category	Safety boots
Usage scenario	Outdoor, leisure, welding, construction site
size	39-47

PVC Material+steel toe and steel sole

801/BY

Product Category	Safety boots
Usage scenario	Outdoor, leisure, welding, construction site
size	39-47

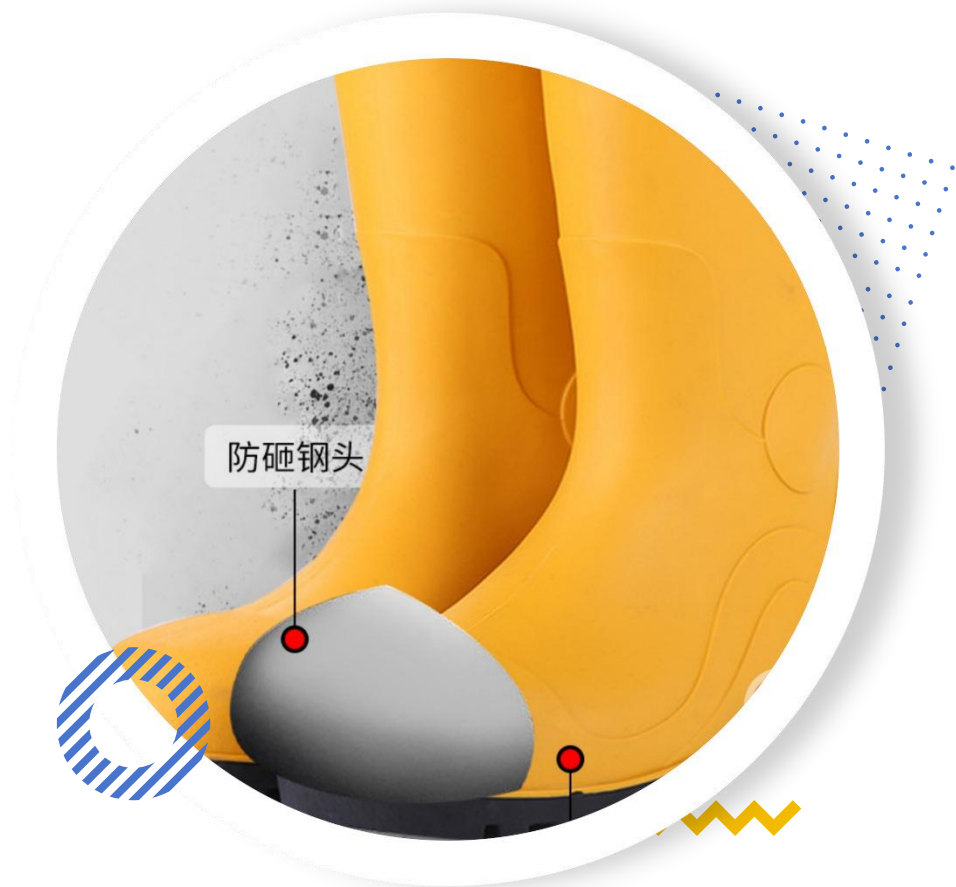

PVC Material+steel toe and steel sole

801/BLUB

Product Category	Safety boots
Usage scenario	Outdoor, leisure, welding, construction site
size	39-47

PVC Material+steel toe and steel sole

Product Category	Safety boots
Usage scenario	Outdoor, leisure, welding, construction site
size	39-47

PVC Material+steel toe and steel sole

801/WHYL

Product Category	Safety boots
Usage scenario	Outdoor, leisure, welding, construction site
size	39-47

CE Certified Safety Shoes

Product Category	Safety boots
Usage scenario	Outdoor, leisure, welding, construction site
size	30-45

ANTI-SMASHING EUROPEAN STANDARD

The work shoes with European Standard steel toe caps that protect the toes from smashing

B4008R

Product Category	Safety boots
Usage scenario	Outdoor, leisure, welding, construction site
size	30-45

CE Certified Safety Shoes

B559R

Product Category	Safety boots
Usage scenario	Outdoor, leisure, welding, construction site
size	30-45

CE Certified Safety Shoes

■ ANTI-CRASH
ANTI-PUNCTURE

■ ANTI-STATIC

■ ANTI-OIL
ANTI-SKID

B533R

Product Category	Safety boots
Usage scenario	Outdoor, leisure, welding, construction site
size	30-45

CE Certified Safety Shoes
