OUR VISION

The only goal that has led us to enter this vast industry is proving an example of difference for serving the same kind of products. We believe in supplying the fresh and quality goods from our end. For the same, we have a defined logistics and warehousing facility that takes care of the good's quality and nourishment if necessary.

PACKAGING:

We have specialized in different kinds of packaging and have the distinction of satisfying our customers by giving them packaging to their satisfaction. The current ranges of packaging we have are as under:

Bulk Pack, Skin Carded (USING SURLY N FILM), Blister Pack Carded, Sliding Blister, Clam-shell and Customized Packaging along with bar codes.

MANUFACTURING PROCESSES

Most of our products are manufactured by Sand Casting Process. But for better quality and dimensional control; we can also manufacture products by Gravity Die Casting or Forging Process. Sheet Metal items made by Stamping Process are also in our current range. Apart from Solid Brass, these items can also be made by Pressure Die Casting in Zinc or Aluminum and finally finished in any of the above finishes.
