

The Plot Pact: 33 Dares for Chaos & Core Memories

*A freebie from *We Did It for the Plot: Deluxe Edition**

This is not homework. This is not a checklist. This is a pact. Pick a dare, double-dare each other, or roll dice to decide your fate. The goal: chaos, laughter, and memories worth retelling.

1. Text each other only in GIFs for one hour.
2. Send a voice note using your worst fake accent.
3. Pick a random outfit for your friend (no vetoes).
4. Share your most embarrassing childhood photo.
5. Come up with a secret handshake in under 60 seconds.
6. Write a haiku about your friend's snack habits.
7. Record a dramatic reading of the last text you sent.
8. Pick one song and sing it loudly in public.
9. Swap phones for 5 minutes (chaos guaranteed).
10. Do your best celebrity impression.
11. Post a cryptic inside joke on social media.
12. Draw a tattoo design for your friend (future material).
13. Swap names in your phone contacts for 24 hours.
14. Narrate everything your friend does for 2 minutes.
15. Invent a conspiracy theory together and pitch it.
16. Film a 10-second fake commercial together.
17. Confess something absurd but make it sound serious.
18. Teach your friend your most useless skill.

19. Rewrite a popular song with chaotic new lyrics.
20. Draw each other...blindfolded.
21. Leave each other a sticky note love letter somewhere.
22. Stage a photo as if you're a famous celebrity duo.
23. Swap shoes for an hour.
24. Speak in movie quotes only for 10 minutes.
25. Pick a stranger and invent their entire backstory.
26. Do a TikTok dance badly. Post it? Optional.
27. Pretend you're long-lost cousins reuniting in public.
28. Make up a word and use it three times today.
29. Send each other a dramatic goodnight text.
30. Create a joint bucket list with at least 10 items.
31. Come up with a 'friendship theme song'.
32. Challenge each other to a staring contest.
33. End today with a friendship selfie pact.
