## BFF MANIFESTO 🧡

- Deluxe Edition -

We did it for the plot and we'll do it again 🤪. This journal isn't just for memories. It's for the chaos, the healing, the cringe, the wild nights and quiet mornings, the inside jokes no one else understands. The texts that could ruin reputations. The love that runs deeper than most people will ever get.

So go ahead: ***Overshare. Ramble. Doodle. Confess. Dream. Plot.***

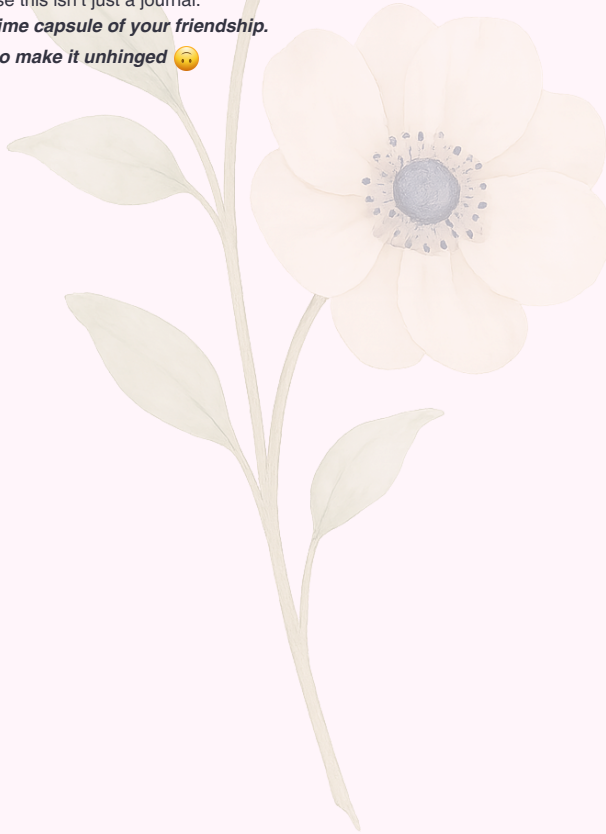

This is your shared space. There are **no rules**.

***Just vibes, loyalty, and low-stakes emotional damage.***

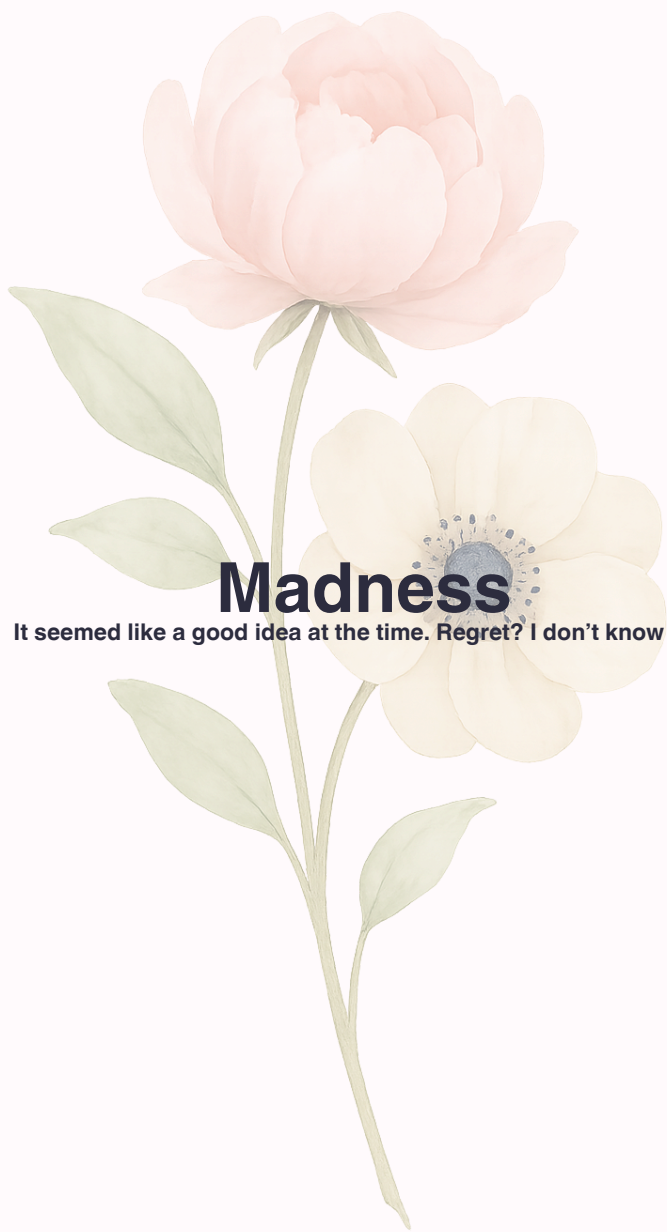

Because this isn't just a journal.

***It's a time capsule of your friendship.***

***Now go make it unhinged 🤪***
