

GENERAL TERMS AND CONDITIONS

1. INTRODUCTION

These Terms and Conditions govern all consultancy, brokerage, and direct assistance/support services provided by Algoz FZ-LLC (trading as "Algoz" and "Algoz Group"), registered at RAKEZ under Trade License No. 5033995 and TRN 4071452. Licensed activities include Lifestyle Development Consultancy, Businessmen Services, Services Broker, Destination Management and Retail Sale of Travel and Entertainment Services. By making payment, the client acknowledges and accepts these terms. A copy is attached to every invoice.

2. NATURE OF SERVICES

Algoz FZ- LLC provides consultancy destination management, businessmen services, brokerage and direct assistance/support to clients. This includes: Consultancy and Brokerage: 1) Strategic advisory, threat assessments, quotation preparation, and coordination with licensed third- party partners for operational execution (e.g., security, transportation, travel). We do NOT directly execute brokered services. 2) Direct Assistance and Support: Under Businessmen Services and Destination Management, we offer hands- on administrative facilitation, itinerary planning, all arrangements, travel bookings, reception coordination and on- site client support within RAKEZ- permitted scopes.

2.1 Service Hours and Scheduling: Services are provided within pre-agreed time windows as specified in the invoice or confirmed via official enquiry (email or WhatsApp). Standard service windows may be 8, 10, 12, or 24 hours, or other durations as required and agreed. Unless otherwise specified, a standard service day is considered to run from 08:00 to 20:00. Algoz offers flexibility for the Client to propose an alternative start time, subject to the agreement of both the assigned professional(s) and Algoz management. The final scheduling of service hours is contingent not only on the Client's needs but also on operational factors including, but not limited to, hotel booking logistics, professional transportation, and overall mission planning. Therefore, any specific or non-standard service window must be mutually agreed upon in writing by both parties prior to confirmation.

2.2 Applicable Time Zones: For all administrative communications, enquiries, and support coordination, Algoz FZ-LLC operates based on the standard time of the United Arab Emirates (Gulf Standard Time, GST). All deadlines, response times, and scheduled calls referenced in these Conditions or related correspondence are to be interpreted according to UAE time unless explicitly stated otherwise. During the execution of services, all operational schedules, including start times, end times, and on-site coordination, will adhere to the local time of the city or country where the service is being provided. It is the Client's responsibility to be aware of and account for any time differences between the UAE and the service location.

2.3 Algoz Signature Service (Non-Limited Engagement): For engagements designated as "Algoz Signature Service," Algoz is granted broader autonomy to exercise its professional judgment and discretion in the execution of services. To provide the utmost level of service to the VIP(s), Algoz reserves the right to make operational changes, hire services, and take necessary actions autonomously. The Client shall provide comprehensive personal and preference profiling information in advance to minimise unnecessary communication during service delivery. Furthermore, to facilitate swift execution, the Client must establish agreed and efficient payment methods with our designated agent(s), such as providing dedicated credit card details or authorising access to a specified bank account. The appointed Algoz

All such contingent costs will be justified, documented, and require prior or immediate post-facto authorisation from the Client, depending on the urgency of the situation.

3.6 Advanced Budget and Dedicated Payment Methods: For certain services, Algoz may require the Client to provide a dedicated credit card to the assigned operative or agent to facilitate immediate payments. Alternatively, or additionally, the Client may be required to provide an advanced budget. This budget shall be deposited into a designated Algoz account or provided in cash to the operative, strictly for use under the pre-agreed scope of the services or task. Any unused portion of this advanced budget is refundable to the Client upon the conclusion of the task or service window, minus any applicable transaction, transfer, or bank fees incurred.

3.7 Urgency Fees: Any service requested within 7 days' notice before the requested execution date incurs an extra fee of 1,100 to 1,900 AED. This urgency fee policy also applies to new or additional tasks requested within the specified notice periods during an ongoing service engagement. Furthermore, any extra necessary costs incurred to fulfil an urgent request—such as last-minute accommodations, transportation for professionals, or premium third-party service charges—will be billed to the Client in addition to the base urgency fee.

3.8 Service Hours and Extra Time Charges: Professional services are offered in standard time windows (e.g., 8, 10, 12, or 24 hours, or other agreed window in the quote). Unless otherwise agreed in writing, the standard daily service window is considered to be from 08:00 to 20:00 local time at the service location. Algoz may accommodate requests to start earlier or later than this standard window, subject to the availability and agreement of both the assigned professional and Algoz management. Any service time extending beyond the agreed-upon end time will be considered extra time and billed accordingly at the rates specified and approved in the client's quotation. For billing purposes: a grace period of 10 minutes is permitted; after 10 minutes past the agreed end time, 50% of the hourly rate will be charged for the first quarter hour. After 25 minutes (one quarter of an hour) past the agreed end time, 100% of the hourly rate will be charged for each additional hour or part thereof.
