Instagram: @yaweimusic (best way to reach me)

SoundCloud: @yaweimusic

Your Setup

Speakers

Please have these cables available in the length required to reach from DJ table to speakers

My Setup

Booth and Master Outputs - RCA

I will bring this cord

Apple Laptop

Pioneer DDJ-FLX6

(or sometimes DDJ-400 when traveling - also RCA)

I will bring this cord

Please have access to an outlet available within 5 feet of the DJ table

Venue/event host to provide the following unless otherwise discussed prior to show:

- * Sound system with subwoofers (I play bass music in my sets and need a system that can accommodate the range)
- * All cords/cables to hook up my CDJ to your sound system
- * 5x1.5' or larger waist height table
- * Access to outlets/electricity
- * WiFi or Starlink access
- * Please see Hospitality Rider for additional requirements
