- Chartered institute of Project Management.
- Certified institute of warehousing and inventory.
- Chartered institute of supply chain Management.
- Chartered Institute of Public Diplomacy and Management.
- International Project Managers Association UK
- Society of Project Management

OUR PROJECT MANAGEMENT TRAINING SERVICES

- CIA as management training firm has held consistent programs to mark the World Project Management Day in the last few years, and has provided free training and certification on Basic overview of Project Management for hundreds of persons as part of its corporate social responsibility to raise awareness for the practice of project management.
- CIA. conducts yearly professional induction into the society of project management professionals and mandatory continuous development education for graduates from its management academy.
- CIA and its faculty have been involved in setting up management training academics within and outside the country.

OUR TRAINING STRATEGY

We hold specialized training to suit organization/staff needs that will enhance operation, project, procurement, customer service, logistics, stake holders, cost, risk, human resource and communication plan.

We can schedule the training at your location (implant) or any training venue of your choice.

The classes will hold weekends, week days, online and distance learning.

We also provide a 1 year post training mentorship, consulting and support services.

It can be held at our strategic training facilities and locations the country or abroad.

OUR PROJECT MANAGEMENT CONSULTANCY SERVICES

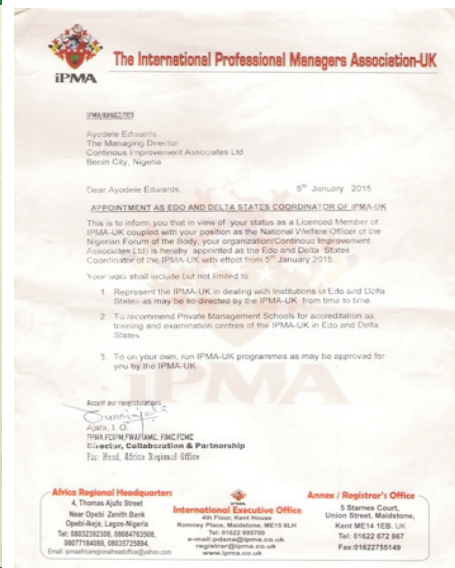

CIA. and its faculty have developed its competence in consulting and have made giant strides in the setting up and development of programs and projects that have contributed immensely to the transformation of individuals and organizations.

We have provided consulting services that has helped individuals and corporate bodies to adapt to today's environment by developing organizational and individual project management capabilities.

Some of these include:

- *Build-with-Ease Housing Project, Nigeria
- * Touch of Love Project, United Kingdom
- * Reclaim Godly Values in Nigeria Project
- * Chaplaincy Unit Creation, NPF, Edo Command
- * Prospecting for IPMA - UK Programs in Nigeria Universities.
- * Creation of a Management training Academy
- * Economic empowerment and community Intervention schemes
- * Recruitment for Foreign School Placement and Professional membership enlistment
