*The Flintstones* was a cartoon series shown on American television from 1960 to 1966, and in re-runs and revivals after that, which became popular in many countries. It was set in the Stone Age, but featured a family behaving like a modern family. From 1962 to 1966, its opening and closing music was the song 'Flintstones, meet the Flintstones'. This was written by the musical director of the Hanna-Barbera animation studio, Hoyt S. Curtin, in collaboration with Joseph Barbera and William Hanna. AB
