## Lead Me Well

D                   Asus

I will trust You, I will trust You

G                   D

To lead me well

D                   Asus

Down the mountain, through the valley

G

Who can tell

D                   Asus

Where the road goes

Asus               C

You alone know

C                   G

Bid me follow, Lord

G                   D

I will follow

D                   Asus

I will trust You, I will trust You

G

To lead me well
