

## The Hours: Daybreak

A                   Asus  
 O children of the Living God,  
 A/C#           D           Eesus/C#           E  
 what is your Father's greatest desire for you this day?

A           Bm           A/C#   D  
 That we should love our King, with all our hearts,  
 Eesus/C#   E           A  
 our souls, our minds, our strength.

A                   Asus  
 Do you posses the strength you need  
 A/C#           D                   Eesus/C#           E  
 to keep this holy calling through the hours of this day?

A           Bm           A/C# D  
 We are too weak and afraid, so easily swayed.  
 Eesus/C#   E           A  
 O God, we need your grace!

A                   Asus  
 O Father of the Living Well,  
 A/C#           D           Eesus/C#           E  
 we open up our hearts for only You to fill.

A           Bm           A/C#           D  
 Give us your life, your love, your truth, your strength—  
 Eesus/C#   E           A  
 Now work in us your will,

A           Bm           A/C#   D  
 That we should love our King with all our hearts,  
 Eesus/C#   E           A  
 our souls, our minds, our strength.
