

The background of the entire page is a high-angle, night-time photograph of a city skyline. The most prominent feature is a tall skyscraper in the center, which is still under construction. Its upper floors are framed by a complex network of steel beams and scaffolding, with several construction cranes visible at the top. The lower portion of this building and the surrounding city are lit up with city lights, creating a bokeh effect in the background. Other modern buildings with glass facades are visible on either side of the central tower. The overall color palette is dominated by deep blues and greys, with the white text providing a sharp contrast.
