TO ALL READERS IN OUR VILLAGES

Village & Community Magazine

JANUARY 2025

Keeping All Our Villages Connected and United

DEADLINE for the FEBRUARY 2025 EDITION is 6am TUESDAY 28th JANUARY

Input from you all will be gratefully received. At the end of the day, if you don't contribute then there is no magazine. Talking of which, a lot of you believe that you cannot send items until the deadline time and date. A deadline has to be set but you can send your information/pictures/jokes anytime and it really helps me to put things together the earlier you send your items to me. So please feel free to submit any article.

It's your magazine and just so long as it is legal, Decent and Appropriate in my eyes, it will be inserted of course.

Please remember I can only accept word documents and **NO** PDF's or Photocopies.

Call me on 01538 3045 60 if you need any help. Don't be late, the old rule still applies. Absolutely nothing will be accepted after 6am on the above date. **Editor's decision on layout and inclusion is final.

A Song for Winter

January can feel like a cold and grey month so it is very cheering to see a flash of colour and hear a little birdsong. During the winter most birds do not sing, instead making simple calls, one or two syllables which are contact calls, allowing them to keep in touch with others within a flock, whilst they move around, foraging for food. Longer and more melodic songs are generally heard in spring when male birds are using song to communicate that they are present and are holding a breeding territory. These territories will contain nesting places such as trees or shrubs as well as sources of food and male birds proclaim this

by song, deterring rivals and attracting females. The Robin however has a proper winter song as it holds a territory over the winter. Robins are not in pairs during the winter so both males and females sing and hold separate territories. These territories are giving them winter shelter and food and they will defend them fiercely, flying at intruders as well as singing.

In winter many Robins migrate from further north into the UK, flying in from Scandinavia, Russia, Poland and elsewhere. This also explains why we seem to see more Robins in the winter as our own summer Robins remain here all year round so numbers increase. The Robin's song is tuneful and a little melancholy but the reality of Robin life is harsher with an average lifespan of only 9 months. Many do not survive the winter so holding and defending a territory containing good sources food and shelter is vital. The combination of a churchyard with mature, sheltering trees, plentiful berries, seeds and insects as well as soil invertebrates such as worms make them attractive to Robins. Churchyards tend to be rich in insect and other invertebrate life as no chemicals are used within them and the soils have been developing over decades or centuries, full of life. Churchyards are also usually surrounded by gardens so natural food may well be being topped up with mealworms, bird seed and fat balls too.

Why not look for Robins in your local churchyard or cemetery and listen for their winter song, you might like to put up some open-fronted nest boxes for them too, on churchyard trees and within gardens as well. Please let us know if you see or hear a Robin in your churchyard, use the iNaturalist app and photograph it if it will stay still long enough or else record its song, a biological record can be made either way. DATES THIS MONTH:

POP IN FOR A CHAT AND A COFFEE / TEA

NO CHARGE, BUT DONATIONS TO CHURCH FUNDS GRATEFULLY RECEIVED, THANK YOU

HOPE TO SEE YOU THERE!

The magazine really does thank those who make contributions to its ongoing production and we must thank and acknowledge donations made by:

- Heidi, (Elite Cinema & Ashbourne Shoe Company),
- Claire, (Curtains Up)
- Graham Bagshaw, (Plumbing & Heating)
- Pam Wain (Ipstones).

during the latter part of 2024. Without you this magazine could not continue.

Once again, thank you, one and all.

Things to ponder???

I used to eat a lot of natural foods until I learned that most people die of natural causes.

Can you cry under water?

How important does a person have to be before they are considered assassinated instead of just murdered?

Why do you have to "put your two 'pennyworth' in"...but it's only a "penny for your thoughts"? Where's that extra penny going?

Once you're in heaven, do you get stuck wearing the clothes you were buried in for eternity?

What disease did cured ham actually have?

How is it that we put man on the moon before we figured out it would be a good idea to put wheels on luggage?

Why is it that people say they "slept like a baby" when babies wake up, like, every two hours?

If a deaf person has to go to court, is it still called a hearing?

Why are you IN a movie, but you're ON TV?

Why do people pay to go up tall buildings and then put money in binoculars to look at things on the ground?

Why do doctors leave the room while you change? They're going to see you naked anyway.

Why is "bra" singular and "panties" plural?

Why do toasters always have a setting that burns the toast to a horrible crisp, which no decent human being would eat?

If the professor on Gilligan's Island can make a radio out of a coconut, why can't he fix a hole in a boat?

If corn oil is made from corn, and vegetable oil is made from vegetables, what is baby oil made from?

If electricity comes from electrons, does morality come from morons?

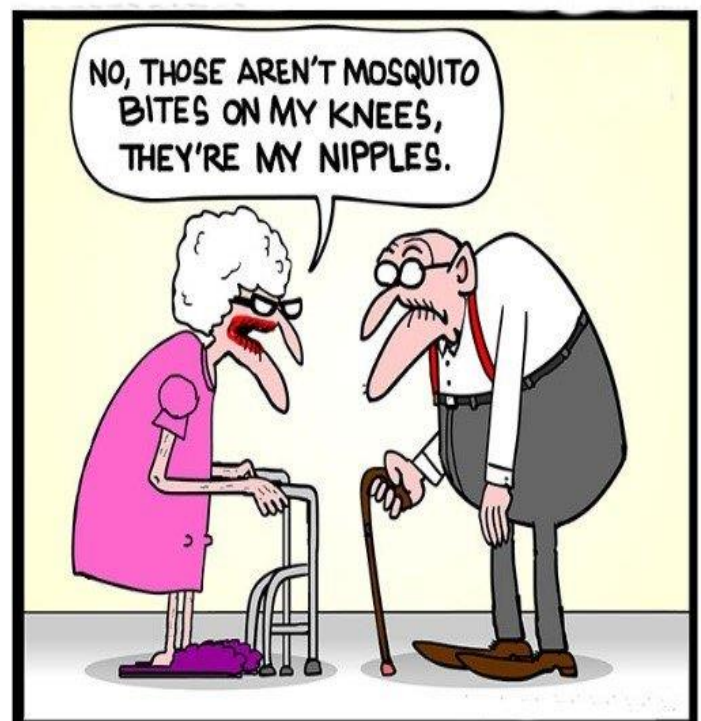

Did you ever notice that when you blow in a dog's face, he gets mad at you, but when you take him for a car ride, he sticks his head out the window?

Keeping Up with Today's Technology

Smile in a While

Now we're getting older my husband and I are much closer than we used to be. It's the only way we can hear each other.

Herb's attempt to make small talk with the new gal doesn't go so well.

St Bartholomew's Church.

Sunday 15th December saw (and heard) the Warslow Silver Band in Concert in Church. Prior to the event over 60 tickets had been reserved.

As I type on the morning after the Concert, I can say it was a great success. A fabulous evening with all pews filled. The Band as always gave a great performance and Steve the Conductor's jokes weren't too bad either! Mulled wine and mince pies/stollen/shortbreads were enjoyed by all during the break and we then settled down to the second helping of music. The raffle was a great success too. Maggi and Brian Rowland will be enjoying their Black Lion voucher prize, generously donated by Hannah and Matt. Thanks to everyone who

made it possible by donating their time, refreshments/raffle prizes but especially to those who bought tickets. All proceeds to St Bartholomew's Church.

The Carol Service on Sunday 22nd was again a joyous, atmospheric occasion with lots attending, including visitors to the village. It was lovely to have some children present. Carols were sung and readings read. It was lovely to see Gwen Turnock at the organ following her recent visit to hospital. Thank you, Gwen, for playing for us at our services this year. The remaining mince pies and tea/coffee were welcomed following the service.

Warm Welcome.... A good attendance at our ever-popular event held every other Tuesday & on Tuesday 12th December. We enjoyed mulled wine and 'mice pies' (typo) and a good chat. Thinking this was the last Warm Welcome, Christmas cards were exchanged but our valiant helpers decided to go ahead with a Christmas Eve Warm Welcome. You don't have to be a Buttertonian to come along!

The next Warm Welcome is Tuesday 7th January, 2025.

Memorial Garden. Celebrations as we received the go ahead to progress with our Memorial Garden. As I type, stone and pea shingle size are being decided and the landscape gardener booked. This means that on completion, ashes of loved ones can be interred in St Bartholomew's Churchyard. More details as we move along the process.

St Bartholomew's Lottery Ball Draw. It seems unbelievable that another year has passed and it will soon be time to renew your lottery ball numbers. The year runs from the beginning of February 2025 to the end of January 2026. Balls cost £1 each and you can have as many as you choose. You will be allocated a number for each ball. The monthly draw takes place every second Saturday in the month in Church (the next being Saturday 11th January 2025). Prizes are £40 1st prize, £20 2nd prize and £10 3rd prize with a bonus £10 prize every December. For more details, please contact Barbara (304324) or Maggie (304115) If you want to join in with the fun, renew your balls or if you feel you want to withdraw, we are ready to hear from you.

Sunday Services in January

19th 3.00pm Carol Service

Cleaning & Flower Rota: Liz Meakin

December was a very busy month for the village, with plenty of festivity on the agenda! On the 8th, 13 Elkstonians very much enjoyed their annual Christmas lunch at Biggin Hall; on the 15th our beautifully decorated little church held its Carol Service, with a festive gathering afterward; and on Thursday 19th December on a bitterly cold night, a small but select band of singers set out on their annual round of the valley with their collecting box, to raise funds for the Elkstonians' chosen charity for 2024. Thank you, singers, and a big thank you to those who gave generously both in cash and festive food! We can now send off £100 to Guide Dogs for the Blind.

St John's Church, Elkstones,

The afternoon Carol Service on the 15th December was a very festive occasion, and a good-sized congregation enjoyed the mulled wine, mince pies and friendly get-together afterwards. Thank you to the Elkstonians for supplying the mulled wine, and to everyone else who supplied all the good things to eat, and the raffle prizes. Big thanks also to Sally Faulkner, Phoebe and Jack Vincent for doing the decorations which made the church look so lovely for Christmas. The raffle raised £331 to add to the funds which help to enable our little church to stay open.

As we reach the end of another year, we would like to thank all the people who helped in any way to keep the church going:- Father John for taking the Services, Janet McNichol for covering the absences caused by ill health, all the cleaning team and those who put such effort into trying to keep the graveyard tidy and accessible, and all those who supported our fundraising efforts throughout the year. You are all very much appreciated. Finally, a big welcome back to Rev Nicola Pepper after her long illness – it is great to see you back, Nicola.

To all those in Elkstones, and to all those who come from other places to support our very special little church, we wish you a Very Happy and Prosperous New Year, and a Happy and Healthy 2025.

Crib Service 2024

Many, many thanks to Joan, Ellen, Richard and Sarah together with local and visiting children all of whom played their part in the lovely Christmas Eve Crib Service it was wonderful to see the church so full and to sing some of our favourite carols.

Art and Trees in Church

Our thanks also to Ilam Art Club and local ladies who came out in force on 7th December to decorate Church for the Christmas period - the 12 days of Christmas paintings along with the decorated Christmas trees have proved to be very popular and enjoyed by those who wander into Ilam Church. Brilliant team work! Thank you to the National Trust for the donation of a tree.

Sadly, we shall be removing the decorations on Saturday 11th January 2025 from around 10.30am and as ever, any assistance will be most gratefully received.

All welcome and please send any questions you may have to the Clerk, so they can be passed on to the council for discussion.

Ilam School

Here at Ilam Primary School, we have been embracing this wonderful time of year and have quite simply been having the best time!

Our Reception and Nursery children kicked off our festivities with a trip to Elim Church for their Advent event. As we explored the Christmas story and met the key characters, we reminded ourselves of why this time of year is so important. We had a wonderful afternoon!

Our many visitors continue to join us in bringing our daily worship to life with music, drama and stories. We very much look forward to welcoming everyone back in the new year.

We dazzled our friends and family with our fantastic spectacle 'Search for a Star'. We really didn't have to search too far with a school full of stars and they really did shine as they executed their performances perfectly. We are so very proud of the hard work that the children put into their nativity play this year! Well done!

We've enjoyed many Miss Lisa Christmas lunches in school too! We invited the local community to join us, as well as our families. We also rounded things up with a whole school meal, including staff, during the last week of term. Huge thanks to Miss Lisa for completely spoiling us!

We were thrilled and privileged to join the Ashbourne Lantern Parade earlier in December. We lit up the night with our mesmerising bees and loved every moment of this truly joyous event!

In school, we held our annual 'Ilam's Got Talent' event. What a joy! From musicians to gymnasts, poets to singers, we filled our school with our remarkable talents. As the Golden Buzzer sounded, we really couldn't pick a winner! Instead, everyone was sprinkled in golden confetti! We are in awe of the talented children in our school!

With our annual Christmas Jumper Day, a surprise visit from Santa, our Governor Christmas Party and end of term Church service tucked safely under our belts too, we broke for Christmas. We sure do know how to make sure we have fun!

We wish everyone a truly wonderful Christmas period and very much look forward to sharing our adventures with you in 2025! If you know a child that would like to be a part of our beautiful school, please do get in touch. Thank you and a happy New Year to you all!

St. Lawrence

On Thursday 19th December we witnessed the wedding of Roberta Smith and Mark Hunt at St Lawrence Church. Although the weather was cold, with even a touch of snow, it remained fine with a little sunshine,

too. We wish Mr and Mrs Hunt a long, happy, healthy life as they start their new chapter together. We are sorry to hear that Neil Woolley has been in hospital recently and hope that he is now on the road to recovery.

Benefice Magazine (Longnor Benefice Magazine – not Community Magazine).

Special thanks to Mavis and John for printing, compiling and delivering the magazines to Warslow every month, and to Denise for putting all the contributions together.

For a long time, the price of the magazine has remained the same but with increasing production costs, the price from this month will be £7.50 per year (less than 63p per month). Please pay this to any PCC member as soon as possible. The magazine is also available on-line.

From the magazine January 1912 : " Our thanks are due to Mr. John Bradbury for his kind gift of the three fir trees which were placed on the grave of Mrs. Bradbury, his late wife, in Warslow Churchyard. Mr and Mrs Bradbury formerly lived at Elkstone. The trees have been removed, and planted alongside the path leading to the Church, and form a pleasing addition to the Churchyard. The vicar desires to offer to all his best wishes for a happy new year "

From the magazine January 1969: "You will see that we have planted some flowering trees and shrubs in the Churchyard. Beginning this year the Diocese and the whole of the Church in England will begin a new set up of the people of the Church and how they are to be represented locally and in the Diocese. The word is `Synod'. It is an ancient English word, and there will be Synods for the deanery, and so on, up to the Diocesan Synod. Jesse Howse - vicar "

We wish everyone a Happy New Year, from St. Lawrence Church.
