## *NOVEMBER 2023*

*Keeping All Our Villages Connected and United*

\*\*\*\*\*

***“Few will have the greatness to bend history itself; but each of us can work to change a small portion of events, and in the total; of all those acts will be written the history of this generation”.***

Those words by Robert Kennedy seem very appropriate at this time of Remembrance, as we celebrate All Souls across our villages, with the naming of names and lighting of candles for those dear to us, who have died and then as we all remember those who died for the country in both the Great Wars and in all conflicts since. Each of us may sometimes feel helpless in the face of the world events that surround us, but we can all in November do little things to remember, cherish and celebrate our local communities, families and friends. Enjoy November, its sadness's and its joys.

## **DEADLINE FOR THE DECEMBER EDITION IS 6am on MONDAY 27<sup>th</sup> NOVEMBER**

Input from you all would be gratefully received. At the end of the day, if you don't contribute then there is no magazine. Talking of which, a lot of you believe that you cannot send items until the deadline time and date. A deadline has to be set but you can send your information/pictures/jokes anytime and it really helps me to put things together the earlier you send your items to me. So please feel free to submit any article. It's your magazine and just so long as it is Legal, Decent and Appropriate in my eyes, it will be inserted of course.

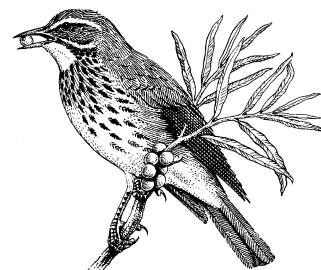

**Please remember I can only accept word documents and NO PDF's or Photocopies.**

Call me on 01538 304560 if you need any help. Don't be late, the old rule still applies. Absolutely nothing will be accepted after 6am on the above date. **\*\*Editors decision on layout and inclusion is final.**

### **Bountiful Berries**

Have you ever noticed how many holly berries there are in November but not by the time you may be wanting to use them for Christmas wreaths and other decorations? Autumn is the best season to enjoy berries and this year seems to be particularly rich, with hawthorn trees glowing a colourful orange. The combination of a dry, warm spring with a wet summer has led to this plethora.

Berries are a crucial food source for many birds and animals that are building up their energy reserves before winter, so between now and Christmas a great many get eaten. Rodents such as mice, voles, shrews and squirrels eat a range of berries as do less obvious animals including foxes, badgers and hedgehogs. Deer love plants from the *Rosaceae* family which includes roses and brambles and will delicately pick off berries and hips. Birds love berries and can make quite a mess! Look out for members of the thrush family including song and mistle thrush as well as blackbirds. Winter migrants arrive in the autumn so you may see both redwing and fieldfare in your churchyard feasting on yew and other berry-bearing trees such as a holly, hawthorn and rowan. Brambles carrying blackberries are popular and feed a range of birds, animals and also insects. You can often find the next stage of the food web with spiders spinning webs to catch creatures attracted to the berries.

If you are planting shrubs within your churchyard how about choosing berry-bearers, particularly native species such as spindle and guelder rose. If you already have shrubs or a hedge then try and delay any pruning work until the berry feast is over. The end of winter is a good time to cut back hedges and other shrubs, this gives birds and animals food, plus shelter from the winter weather (and from predators such as cats), whilst getting things under control before birds start to build nests in the spring.

We'd love to know what creatures you see eating the berries in your churchyard, please put a record onto iNaturalist or let us know by email.

All the best, Harriet Carty

There was a good attendance for the Harvest Service on Sunday 8<sup>th</sup> October, followed on Monday 9<sup>th</sup> by the Harvest Pie and Pea Supper. All tickets sold out and approx. 70 of us tucked into pie, peas and gravy and some wonderful donated desserts, with as much tea and coffee as you could drink. An exceptionally good Raffle and a highly entertaining Auction, led by our very own Les Bassett who, as if by magic, produced bag after bag of potatoes. The bids mounted up for the wedges of cheese donated by Alan Salt as did some extra portions of Pie and Peas to takeaway. In all we cleared £784 for Church Funds. Grateful thanks go to everyone who helped in any way, especially those who are not actually on the PCC. We couldn't do it without you.

At 3pm on Sunday 29<sup>th</sup> we held a very well attended Songs of Praise Service to commemorate 150 years of the present St Bartholomew's Church. An Order of Service had been found in the archives dated June 1873 and we took the hymns for our SOP service from this sheet. Thanks to everyone who supported the event in any way. The Raffle and Refreshments together raised £401.60 for History Group funds.

## **Message from the Community Bus Shelter**

### **(It's Called Getting Ready for Winter)**

The Butterson Community Bus Shelter will be closing and reverting to its normal function on 31<sup>st</sup> October. This is earlier than planned; sadly the damp weather is starting to damage the books.

For the last month, the Bus Shelter fund raised for the two catastrophies which occurred in September: the Morocco earthquake and the floods in Libya. We raised £500 in total and this was split between the two Appeals by the British Red Cross which operates in both countries.

From 24<sup>th</sup> October donations will add to funds for Butterson causes. We will let you know how much has been raised in the December newsletter.

In October, we added a new way of paying – PayPal; there is a QR Code in this Bus Shelter which will take you to a donation page. Alternatively, those who do not have the ready cash to make a donation can pay by bank transfer to the Bus Shelter bank account. The account details are:

**Account name: Butterson Community Giving**

**Sort Code: 82 11 07**

**Account No: 40308265**

If you have something special you would like to donate, but are not sure about leaving in the Bus Shelter, get in touch. We may be able to store small items until we re-open in the spring. Large items such as furniture may obstruct access, so please contact us before leaving anything like that. Our email address is [buttertonbusshelter@gmail.com](mailto:buttertonbusshelter@gmail.com)

More details about the charity can be found on the village website (<http://buttertonmoorlands.co.uk/village-organisations/butterton-bus-shelter/>).

**The Bus Shelter will be closing on 31<sup>st</sup> October. Please do not leave anything in the Shelter after we have closed.**

In the meantime, please make sure items left in the Bus Shelter are CLEAN and intact. Electrical or Mechanical items should work (label them 'WORKING ORDER'). We will be obliged to remove anything which is inappropriate or potentially dangerous.

**PLEASE don't leave: Clothing, knives, paint, anything flammable or toxic.**

**Alcohol, DVDs & CDs, Jam Jars, Egg Boxes, Out of Date Travel Books, Encyclopedias etc.**

More details about the charity can be found on the village website

As I write this month's entry, we are just emerging from a heavy drenching from the last few days' continuous downpour, which ran down the road in Upper Elkstone like a torrent, and left floods of water in the road in Lower Elkstone. The sun is currently shining, so I am keeping my fingers crossed that we have seen the last of the rain for a while!

### Gwynne Floyd (Gwen)

On October 3<sup>rd</sup> we said a sad farewell to Gwen Floyd, who died on 6th September aged 94. Gwen lived and farmed at Cave Farm, Onecote, for many years. On retirement, Gwen and her husband Arthur moved to Park House at Reapsmoor, Longnor, where Arthur built and drove horse drawn carriages. After Arthur's death, Gwen moved to Cornhill Gardens in Leek. She had a long-standing attachment to Elkstones, where she was a founder member of the Elkstonians Village Society, of which she was chairperson several times. She was also very well-known round the district for her ring-side commentaries at the Manifold and Leek shows. The funeral memorial service held on 3<sup>rd</sup> October to celebrate her life was held in Trinity Church Leek, which was filled to overflowing. She will be very much missed.

**On 19th September** we held the funeral service for the late Mrs. Marjorie Goodwin at St. Lawrence Church, and afterwards she was interred in the churchyard, reunited with her late husband, Frank. Our thoughts and prayers are with her friends and family, especially her daughter Paula and son Dean during this very sad time. The service was officiated by the Rev. Nicola Pepper and was well attended, showing the popularity and respect for Marjorie.

### Harvest-Time

On the 5th October we held the first service of Harvest for Manifold School pupils and families. The pupils kindly donated many non-perishable items of food and toiletries. We thank them very much for these and any surplus will eventually be distributed to Leek and Buxton foodbanks, especially for the homeless in these areas. Thank you again.

**Our second harvest event** kicked off with a quiz and lovely hot-pot meal, followed by Emma's speciality trifles, on Saturday 14th October. This was well attended. Special thanks go to Margaret, Judy, Rachel, John, Emma, Janet, Jenny, Melanie and Chris. who either made the hot-pot supper, helped to clean and decorate the church, or donated raffle prizes. The raffle was drawn the next day. Our compere, Emma, as usual compiled and presented an amazing quiz. Everyone had a lovely night - thank you to all involved.

**The next day we concluded** with our Harvest Festival service in the afternoon. The service was officiated by Janet McNicol and its contents was thought-provoking and uplifting, regarding trying to help and save our beautiful and fragile planet before it is too late. Janet kindly even gave us acorns and conkers and urged everyone to plant more trees. "Grow a tree in 2023, grow some more in 2024". Also, many thanks to Gwen who played so beautifully as usual, for our service.

After tea and cakes, we began with our harvest auction, kindly officiated by John, with a bit of banter and leg-pulling along the way! We raised just short of £500 towards the upkeep of our beautiful church, and thank everyone who donated produce, flowers, or plants, and helped in any other way, shape or form. We really do appreciate it.

**The date of the next PCC meeting** will be announced later on in the year.

## **Leek's Silk Heritage**

with

**Cathryn Walton**

**Wednesday November 1st at 7.30 (doors open 7pm)  
Warslow Village Hall, SK17 0JL**

Many of you will already be familiar with Cathryn as she is a well known local historian covering Leek and the Staffordshire Moorlands and gives many talks and guided walks in our area. She has written several successful books about Leek and the Moorlands as well as family trees. Cathryn spoke several times when we used to meet at Hollinsclough.

This time we are pleased to welcome her to Warslow when she will tell us all about the story of Leek's Silk and Textile Mills. She will describe the working conditions as well as the lives of people who worked in the industry. What did Jacquard weavers, twisters, doublers, spoolers, examiners, packers and pickers all do anyway? Who do you think started Leek's silk industry? And why?

***Come along and find out!***

Doors will open at 7pm to give you time to have a drink, a cake and a chat! No need to book – just turn up. Entrance is just £4 including refreshments.

A quick reminder that we would be grateful for any raffle prizes for our regular Christmas draw in aid of Air Ambulance and make sure you raid your money boxes as tickets will be on sale at this November meeting.

On Sunday 17<sup>th</sup> September we celebrated our Harvest Festival service in the beautifully prepared St. Margaret's church, adorned by the fruits and flowers of its supporters. Thank you for the fruit, vegetable and bounteous floral tributes to the festival of harvest, plus the packaged goods donated to share our blessings with the food banks.

Our harvest supper followed on Monday evening the 18<sup>th</sup>. September, where a modest but enthusiastic company, shared a meal and toasted the harvest before supporting the auction of produce.

Thanks to all those that prepared and beautifully adorned the church and village hall, donated so generously to the evening meal, auction and raffle, raising over £260.

May we also take this opportunity to thank those people who supported Clare Day with the celebration of her licensing as Reader for the Benefice of Alstonefield, Illam and Wetton, at Lichfield Cathedral on September 9<sup>th</sup>. Congratulations to Clare on her accomplishment and gratitude to all those who have supported her in her endeavours.
