### ENGLISH

#### verse 1

*The sea and the waves  
The sound of the rain  
From the mammals of the depths  
To the birds of the sky  
The thunder and lightening  
The roar of waterfalls  
The wind that's in the leaves  
They are all joining us to sing of You*

#### verse 2

*Newborn babies crying at their birth  
Even the trees, the trees they clap their hands  
A sea of worshipers from all the nations  
With hosts of angels  
They are all joining us to sing of You*

Sing together hallelujah*
