## Oceans from Rain

*Seventh Day Slumber  
Album - Take Everything*

### verse 1

*And I'm amazed by You  
'Cause You're never far away  
And all that I've been through  
Your love has never changed*

### chorus

*You make oceans from the rain  
Breathing life into this place  
And I will drown inside Your love  
Until I see Your perfect face*

### verse 2

*And nothing I've acquired  
Means anything at all  
'Cause You're everything I need, and  
You're so much more than I deserve*

### chorus

*You make oceans from the rain  
Breathing life into this place  
And I will drown inside Your love  
Until I see Your perfect face*

### bridge

*And I thank (I thank You, Lord) You, Lord  
Well I thank (I thank You, Lord) You, Lord  
And I thank (I thank You, Lord) You, Lord  
And I thank (I thank You, Lord) You, Lord*

### chorus

*You make oceans from the rain  
Breathing life into this place  
And I will drown inside Your love  
Until I see Your perfect face (Wash it all away)  
You make oceans from the rain (Wash it all away)  
Breathing life into this place (Wash it all away)  
And I will drown inside Your love (Wash it all away)  
Until I see Your perfect face (Wash it all away)  
You make oceans from the rain (Wash it all away)  
You make oceans from the rain (Wash it all away)  
You make oceans from the rain (Wash it all away)*

### outro

*The blood of Jesus can wash your pain away*
