Words & Music by Nate Benjamin

Album - Sacrifice of Worship

Chorus

*Let my life be a sacrifice of worship to you, God
and my steps may they follow You wherever You may go
and my love be the love You showed dying on the tree
O Lord, I surrender now, come take all of me*

verse 1

*O Come, Lord, come, take control
Renew my mind, again
This love so pure and strong as death
come transform me now*

Repeat Chorus x 1

verse 2

*Come, Lord, come, O Righteous One
To Israel You're so faithful
You're our strong tower,
You're my shelter when I'm weak
Through my life, Lord, would you speak*

Repeat Chorus x 1

*Take it all, take it all, take it all, Lord, come take all of me
Take it all, take it all, take it all, Lord*

bridge

*Our God's a consuming fire
So set our hearts ablaze
To walk in the spirit and power
showered in Your grace
Repeat x 3*

*Take it all, take it all, take it all, Lord, come take all of me
Take it all, take it all, take it all, Lord, come take all of me
Take it all, take it all, take it all, Lord, come take all of me
Take it all, take it all, take it all, Lord*
