

Ombre Symphony Supply List

Kit Fees

\$25 includes a copy of *Modern Scrap Quilts*

Fabric for class

We will not be able to make the full quilt in one three-hour class; these are the minimum fabric requirements. See box for requirements for full quilt.

Solid Background Fabric (off-white in sample): 3-4 strips 3¾" × width of fabric.

Scrappy Fabrics (see below for other color variants): Each scrap should be 3½" square at minimum.

- ▶ **Pinks:** the equivalent of around ½ yard of assorted pinks, light to dark. Please note that the greater the variety of fabrics you can bring, the more work on your gradient we will be able to do. Swapping with classmates using the same colors is also encouraged!
- ▶ **Low volume/light gray:** equivalent of around ¼ yard
