

## Welcome to Hübingen!

### A village for our Subud family

#### What makes Hübingen so special – and what can we look forward to?

This year, our Subud family is gathering in a truly special place: the *Familienferiendorf Hübingen*, a peaceful holiday village surrounded by the magical Westerwald forest – surrounded by meadows, quiet woodland paths, and even a real circus tent!

Here, in the heart of nature, we'll spend a full week together – with our families and with brothers and sisters from all over the world. More than **200 participants from 22 countries** have registered for these six days.

#### We'll have:

- plenty of space for **latihan** and **kejiwaan**
- a lovingly run **kindergarten** each morning
- a large **circus tent** and a **tipi** for meetings and events
- dedicated rooms for **helpers' work**, **delegates' meetings**, and **workshops**
- a **modern chapel** for special occasions
- opportunities for **sports** like football, table tennis, and volleyball
- scenic **forest trails** for walks and hikes
- quiet places with **open views**, perfect for slowing down and finding peace in challenging times

---

#### How will we live?

The village was originally built for families who couldn't otherwise afford a vacation – it's **not a hotel**, but rather more like a **youth hostel with a family spirit**.

We'll be staying in **40 small Bauhaus-style houses** – bright, simple, and surrounded by nature. Each house includes:

- a **kitchen**
- a **living area**
- a **bathroom with a shower**
- **two to four bedrooms**, each with its own **sink**

It's a bit like real family life: simple, mindful, and full of lively togetherness.

**Good to know:**

### **Shared meals at the village restaurant**

We'll all meet at the village restaurant for **breakfast, lunch, and dinner**.  
The buffets are varied and offer something for everyone – including vegetarian options.

### **Kitchens for optional use**

Each house has its own kitchen, which you're welcome to use – whether you want to:

- prepare a little snack or warm drink between meals
- cook your favorite dish and share it with others
- supermarkets are a ten minute drive away

### **Laundry & bedding**

- **Bed linen and towels** are provided
- **Beds must be made by each guest**, just like in a youth hostel
- There are **washing machines** available in the service area of the village

### **Bathrooms & hygiene**

- Each bedroom has its own **washbasin**
- Please bring your own **toiletries** (shower gel, shampoo, etc.)
- **Hairdryers** can be borrowed from reception
- Shower times can be easily coordinated with your housemates

### **Terrace meet-ups**

Each holiday home has a small, furnished terrace – perfect for a **morning coffee**, a **sunset chat**, or simply connecting with one another throughout the day.

**We're looking forward to a fulfilling, blessed, and inspiring time with all of you!**
