

EUCA NETWORK 3ND EVENT

The **EUCA Network** is a strategic collaboration platform connecting universities, research centres, municipalities, SMEs, clusters and NGOs committed to shaping impactful EU-funded initiatives.

Designed for organisations aiming to strengthen their performance in EU centralised programmes (Erasmus+, Horizon Europe, CERV, Digital Europe and beyond), EUCA creates a structured environment for partnership building, concept development and proposal competitiveness.

Join us for the next EUCA Network meeting — a focused, action-oriented gathering where ideas evolve into strong project consortia and concrete funding opportunities.
