INOBERA

About us

We're a fast-growing company, helping other FMCG businesses and wholesale companies to grow and feel confident in any production processes. Our focus is based on (but not limited to) fresh, frozen, dried and lyophilised ingredients such as fruits, berries, mushrooms, vegetables. We serve as a supplier to the producers of dairy, meat, fish, confectionery, and sauces.

Cooperation, reliability, and creativity are important to us. We're always open to accept production challenges of our clients and find the best solution to any specific situation.

Are you the owner of restaurant, supermarket, bakery? Maybe you're the representative of confectionery factory, baking cakes, producing meat or fish products? We have a wide range of ingredients which can satisfy your production demands. All of these ingredients are thoroughly selected to ensure great taste, freshness and best product structure possible. We will always take care of you getting whatever you like and whenever you want to.

Why choose us

- ✦ We listen to customers needs and therefore deliver exactly what you need when you need it.
- ✦ We are innovative and passionate about the work we do. We always come up with new ways to ensure customers productional processes.
- ✦ We always deliver on time: we genuinely understand the value of time in business and hence adhere to time and deliver needed ingredients on time.
