About CVPS:

Our Concept is: Happy Learning.

Our Motto is:- The perfect Blend of Traditional Gurukul and the Modern Technology based Education.

Our Vision is:- Encourage Children to explore their innate potential with absolute freedom; to be good to others and to the environment; nurture them to grow into **GLOBAL CITIZENS.**

Slide 7

Our DNA:

Our School curriculum is **“Our Core Values”**, Which is to Provide **Child-Centered Learning Opportunities** to explore student's talent, abilities and sharpen their personalities and hence to make our students better individuals.

Our Core values move around **A.B.C.D**

A- Academic Excellence

B- Building life skills

C- Co-curricular activities and Cultural Heritage

D- Discipline

Slide 8

A- Achieving Academic Excellence.

‘Academics is the Soul of educational Institution’

The academic year began on 20 may 2024 by warm welcoming our students.

The **bridge course** plan was also held for 2 weeks in order to bridge the previously studied syllabus with their Present Syllabus , which enabled the students to have a smooth transition to the current academics.

In order to improve and enhance the **L-S-R-W** skills

Slide 9

We have introduced;

- **Compulsory dictation words** and the conduct of **unit tests and slip tests** after the completion of each Chapter in every subject.
- And worksheet has been given to improve their Reading , learning, and writing skills.
- Morning assembly is called a hidden curriculum where in each child has been given a chance to **speak** and **Read** in the Assembly on a regular basis.
- Compulsory **‘English Speaking Drive’** has been started by the teachers and students end.

Slide 10

- Introduction of **LUCIDA -Calligraphy** hand writing has improved the quality and appearance of the Students handwriting.
- Between June to January, we have conducted 3 **Periodic Tests** and **Half Yearly Examination** in the month of **October** .

Our Teaching Method: O.A.E.S

O- Make it Obvious

A- Make it Attractive

E - Make it Easy

S- Make it Satisfying

Slide 12

Teachers Orientation:

We held Teachers Orientation programme to sharpen the skills of the teachers related to ‘Effective implementation of OAES’ and ‘Retrieval Practice’. The workshop held at our venue was successful and for this success, I would like express sincere thanks to our Academic Mentor Mr. Shivakumar Sir for that wonderful session.

Slide 13

Olympiad:

we have conducted SOF English , Maths and Science Olympiad exams in our school. Students try their best and 5 of our students secured School gold medals in IEO and NSO respectively. Congratulations to all the winners and participants.

Slide 14

This year, our school hosted students from Dayanand Sagar College of Engineering Bangalore, who conducted an engaging session on the Internet of Things (IoT). This initiative was taken by Madhura Mam. The interactive workshop provided our students with valuable insights into IoT technology, its real-world applications, and future potential.

Through hands-on demonstrations and collaborative discussions, the session enhanced the students' understanding of advanced technological concepts, fostering curiosity and innovation. Such collaborations have contributed significantly to broadening our students' academic and technological horizons.

Slide 15

B-Building the life Skills

Life Skills are the abilities for adaptive and positive behavior that enable humans to deal effectively with the demands and challenges of life. Positive Attitude, Courage, Self Realise, Self Confidence, Empathy, Sympathy and Compassion.

In Order to develop these abilities each class has been allotted with a Specific Period for life Skills alone. We are trying to enrich our Students with the necessary life skills for life... Relationship management with fellow students, teachers, family members, even talking friendly with public.

Slide 16

B- CO Curricular Activities and Cultural Heritage Practices

C- **Curricular Activities**-It allows students to explore their strengths and talents outside the academics .And also to develop ability for time management, organized skills ,building confidence amongst the students.
