

Chirantana Valley Public School, Kabbalu

Affiliated to CBSE.831305

Annual Report

Jai Gurudev !!

Our Concept Happy Learning.

Our Motto :- The perfect Blend of Traditional Gurukul and the Modern Technology based Education.

Our Vision :- To Encourage Children to explore their innate potential with absolute freedom.

Our DNA:

Our School curriculum is “**Our Core Values**”, Which is to Provide **Child-Centered Learning Opportunities** to explore student’s talent, abilities and sharpen their personalities and hence to make our students better individuals.

Our Core values move around **A.B.C.D**

A- Academic Excellence

B- Building life skills

C- Co-curricular activities and Cultural Heritage

D- Discipline

A- Achieving Academic Excellence.

‘Academics is the Soul of educational Institution’

The academic year began on 26 May 2025 by warm welcoming our students.

Our Teaching Method: O.A.E.S

O- Make it Obvious

A- Make it Attractive

E - Make it Easy

S- Make it Satisfying

Teacher Training & Capacity Building Programme

This year, our school prioritized continuous professional development to enhance teaching quality and classroom practices, Aruna from Number

Nagar conducted training sessions for primary school teachers, focusing on Phonics training and a practical approach to mathematics learning.

Rajani from ED360 guided our teachers on building a student-centric classroom environment, using interactive teaching methods, personalized learning approaches and effective classroom management.

I would like express sincere thanks to Number Nagar and ED 360 team for their Valuable Guidanace and Support.

- Smart classroom integration has enhanced teaching–learning with digital tools for better concept clarity.
- Practical sessions in Science, Mathematics, and Computer Science strengthened understanding through hands-on activities.
- Student-centric, activity-based classrooms with buddy and peer-learning systems created an engaging and supportive environment.
- Regular assessments with focused remedial support improved students’ reading, learning, and writing skills.
- Compulsory English Speaking Drive encouraged confident communication among students.
- Dedicated library periods nurtured consistent reading habits across all classes.
- Abacus classes from LKG to Class 5 boosted concentration, memory, and arithmetic skills.
- SOF Olympiad exams in English, Maths, and Science provided competitive exposure and promoted academic excellence.
- Regular assessments with timely feedback to track progress and improve performance.
- Post-assessment counselling and periodic parent meetings for focused academic guidance.
- Individual attention and remedial support to address students’ specific learning needs.
- Evening and weekend assessments and practice sessions to strengthen CBSE Board exam readiness.

B-Building the life Skills

Life Skills are abilities for adaptive and positive behavior that enable humans to deal effectively with the demands and challenges of life.

In order to develop these abilities we have conducted Language recitation, Puzzle solving, Research, Composition, Talk over Contest, Creative and skill based competitions

As part of experiential learning, our students were taken on excursions to a resort, B.R. Hills, and Madikeri, encouraging exploration, bonding, and environmental awareness.

Under Eco Club Plant Donation Drive has been started where students and staff contributed saplings on their special days. Each sapling is being cared by the respective donors, fostering a sense of ownership, responsibility and environmental stewardship.

B- CO Curricular Activities and Cultural Heritage Practices

C- Curricular Activities- allows students to explore their strengths and talents outside the academics .And also to develop ability for time management, organized skills ,building confidence amongst the students.

Students actively participated in co-curricular and cultural programmes including Environmental Day, International Yoga Day, plastic-free day, devotional song singing and dance Competition

folk performances, celebrations of national festivals, Investiture Ceremony, Guru Purnima,

Teachers' Day, Ayudha Pooja, Kannada Rajyotsava, and Children's Day Parent's Connect - "This Programme witnessed enthusiastic participation from parents, whose involvement in all activities was highly appreciated. Many parents showcased their talents and won prizes, making the programme lively and memorable."

On 29th September, we paid homage to our beloved late Ramya Rani Shivappa , the founder of CVPS. Her immense contribution and dedication to Chirantana continue to inspire us every day. If she is alive today, she would be proud to witness the remarkable growth and achievements of the institution.

D- Discipline

The entire school students are divided into four houses named after colours

Blue House- Dragaons

Green House- Rangers

Red House- Warriors

Yellow House- Titans

Under discipline we have incorporated Extra-Curricular Activities like Meditation, Yoga, Sports and Taekwondo.

Meditation: To reduce stress and to improve concentration among the students Everyday 15 mins Mediation session has been introduced.

Yoga-Every Saturday our students have been given Yoga practice.

Sports is very important for developing healthy and strong body and it also helps in improving mental and physical health .

Our school has well-maintained facilities for both indoor and outdoor games to support the overall physical and mental development of students.

In this regard we have organized a sports Month under Sports club in the Month of November all the children have Participated enthusiastically and Maximum have won the prizes.

Athletics: Class 7 to 9 students participated in Athletic Event Organised by SSRVM Bangalore Pruthvi P of class 8 won Gold Medal in Shot put and Silver Medal in Long Jump

Net Ball: Class 6 to 9 Students were participated in 4th Mini Olympics Organised by Govt of Karnataka in Bangalore and represented Bangalore South district.

Relay: Class 6 to 10 Students participated in the CBSE Inter-School Relay Competition organized by Podar International School Kanakapura Under 14 boys and Girls secured Silver Medals. Under 16 boys secured bronze Medals

Basket ball

Class 8, 9 and 10 Students participated in the CBSE Inter-School Basketball hosted by Cambridge Public School Channapatna and secured First Place.

Taekwondo - Specific periods have been allotted for UKG to Class 7 for Taekwondo practice.

Class 6 students participated in the Vestars Cup Taekwondo Championship held at Rajajinagar, Bengaluru and won 2 Gold Medals each!

This is how Chirantana **Core Values A B C D**.....go and weekly event report will be evaluated and recorded.

For easy and meticulous Conduct of school events ,Competitions and to develop Competitive spirit, the concept of school Clubs and Committees are introduced.

The school has various clubs

1. Science and Technology Club
2. Literary Club
3. Cultural club
4. Sports Club
5. Eco club
6. Admin and Event Committee
7. Boys and Girls Grievance Committee
8. Examination Committee

Thank You
